## **Holy Spirit Power** Charles Haddon Spurgeon

A Powerful Friend...To know the Holy Spirit is to know Him as an ever-present, loving Friend and mighty Helper. From the Scriptures, Spurgeon shows that the Holy Spirit wants to be our Comforter, Teacher, and mighty Advocate. The miraculous life the early Christians lived amazed the world and "turned it upside down." Today, many are experiencing the same healing, miracles, and other gifts of the Holy Spirit, along with the love, joy, and peace that He freely gives. Discover how you can walk daily in the presence of the Holy Spirit and experience His miracle-working power in your own life.

## From Reader Review Holy Spirit Power for online ebook

### **Erik says**

Kinda difficult to understand due to the 19 century English. Nevertheless, I can see that Spurgeon attempts to enlighten people towards the role of the Holy Spirit in Christians.

---

### **Thomas Fitzpatrick says**

This short book, compiled from some of Spurgeon's sermons may appeal to some ex-charismatics for its length and title looking for some hope that they can remain reformed yet "spirit led". It's not that. I'm afraid that the pursuit of the miraculous works of the Spirit in this book would cause some to miss the greater work of God the Holy Spirit in his people. The work of comforter, teacher and Christ exalter aren't the sparkling arena filling acts of God, rather the dreary miserable daily building of his church. Viewed rightly this is the greater and holier work. The greatest miracle of the trinitarian cooperation in the salvation of men.

It also helps to read this in the cadence of a Victorian preacher, as the chapters are all sermons.

---

### **Yasmin Alberto says**

One of the best books I've read on the Holy Spirit. Charles Spurgeon really breaks down who the Holy Spirit is and what He can do in our lives if we allow Him too. I love his writing style and how real he is! This is the first Spurgeon book I've read, but definitely not the last. There's no "fluff" on this pages and I'm loving it! I have highlights and notes written all over it. Can't wait to finish it and read it again!!

---

### **Garrett says**

An insightful book that delves into the Holy Spirit's work in believers' lives. C.H. Spurgeon writes in a compelling way, urging the reader on every page to consider the beauty of the Spirit and yield to His promptings.

---

### **Apostle Birgen Alfrick says**

That is powerful...

---

### **Ron says**

"To a great extent, this generation has gradually and almost imperceptibly become godless. Science has

discovered second causes for us. Thus, many have forgotten the first great Cause--the Author of all. Even among professing Christians, while there is a great amount of religion, there is too little godliness." Those words were spoken over 130 years ago by Charles Haddon Spurgeon, hailed in England as the "Prince of Preachers." He spoke to a congregation of over 5000 every Sunday for decades, without an artificial amplification system.

This book contains six of his sermons on the common topic of the Holy Spirit. Even read, it reflects the cadence and rhythm of preaching. Each sermon is a gem of Biblical exposition and evangelical challenge. It hasn't lost any impact for the passage of 130 to 150 years.

A very good read.

---

### **Kelsey Gould says**

Do you need a more robust understanding of the Holy Spirit? Look no further. Whoa! What this book taught me is a worthy end, and reading the book was such a worthy means. Every word deepened my understanding- and, consequentially, love- for God's gift to us in the Holy Spirit. I couldn't even take it all in. I want to keep this book on my nightstand always.

(P.S I believe few things in my life have felt as providential as my discovery of this book. I stumbled upon it at a service plaza in somewhere, Pennsylvania, and I bought it because I have weak pneumatology and when else would Spurgeon be just \$5?!?)

---

### **Jamie Leeper says**

This was a very good book. It is a deep look in the many attributes and works of the Holy Spirit. Would make a good bible study for older teens and adults!

---

### **Gary B says**

Difficult to read or understand in parts, but some very helpful and useful material in other parts by the same token. I hadn't read any of Spurgeon's writings before but would keep a lookout for more of his work.

---

### **Luis says**

This is a real book about the REAL WORK of Holy SPirit in men's heart and life.

### Book Review

The book Holy Spirit Power by Charles Spurgeon is about one of the three in the Holy Trinity, The Comforter. The Spirit of God. The Holy Spirit is in the old testament of the Bible and the new.

Mr. Spurgeon starts the book as an introduction to who the spirit is, saying that when people hear the word spirit they automatically think of an evil spirit, but the Holy Spirit is kind, comforting, and reassuring, but should not be taken as a joke. Half way into the book the characteristics and abilities of the Holy Spirit are stated. Some of the Spirit's features are omnipotent, omniscient, and omnipresent. For if you directly insult the Spirit it is an unforgivable sin. The book is absolutely not only physically educating but spirit educating. If I could rate this book I would rate it, it would be a eighty-seven out of one hundred it is a great book. Anyone can read books, but I would recommend it to grades eleven and above.

---

### **Mavilinda says**

I thought this book was very good. I really helped me to really understand the power of the Holy Spirit.

---

### **Angie says**

Once again, I have been inspired by one of the greatest and godly men in history. Spurgeon reminds me from Scripture that to be known by the Spirit of God is an act of God's grace. I cherish what he wrote on page 107 "The law commands and makes us know what God requires of us, but the gospel goes further and inclines us to obey the will of the Lord. It also enables us to practically walk in His ways. Under the dominion of grace, "God worketh in you both to will and to act according to His good pleasure." (Philippians 2:13)

So great a blessing as this could never come to any man by merit. A man might act as if he deserves a reward of a certain kind in a measure suited to His commendable action. However, the Holy Spirit can never be the wage for human service. The idea verges on blasphemy.

Can any man deserve Christ dying for him? Who would dream of such a thing? Can any man deserve the Holy Spirit dwelling in him and working holiness in him? The greatness of the blessing lifts it high above the range of merit. If the Holy Spirit is bestowed, it must be by an act of divine grace—grace infinite in bounty, exceeding all that we could have imagined."

---

### **Phil Sessa says**

The person of the Holy Spirit is often not thought about by many believers. This is a great work that keeps the ministry of the Spirit in biblical bounds, glorifying Christ The Lord. I would certainly recommend this book.

---

### **Ryan Rust says**

I have always loved Spurgeon as a good reformed baptist would. This little book on select sermons on the Holy Spirit is quite refreshing. As always Spurgeon uses the English language exquisitely to convey the truths of God in his very unique style. After spending a little time in this book everyday for the past two weeks I can see a genuine difference in my life in acknowledging the work of the Holy Spirit and asking more of Him in my time in the word.
