Wow

Once again great story. I love how it just flowed . Every time you think everything going good something happens. But I love the relationship all these characters have. Asta and ky relationship is the most stable. Char and rondo relationship just got better here come both their greatest fear. Zan and Nene as z2 call her is the funniest . I can't wait for the next ride the ending got me with my mouth open like damn .

That ending.....NOOOOOOOOO! I was so happy and then my mood just shifted. I'm glad Simon got his a** beat and glad his daddy got knocked out too. Sooo sick of noble and I swear he just need to get over the past already. Glad asta is finally living her dreams and I love her and ky together. Zan is still a hot mess but him and neala together is a even hotter mess. I hope he pull through. Another amazing job nikki

I'm on the verge of tears with all the drama, heartbreaks, and more DRAMA! OMG! I'm holding my breath trying to figure out like what is really about to happen next! I need my Zander to come on back to us now! I got to laugh! ? Author Nikki, I love you for creating these characters!

Fiyah!!!!! ?????

Great book, I couldn't put it down. Zan is crazy for real, lol, love him. I hope and pray he wakes up soon, it's gonna be hell to pay. I love Ky and Asta and how he is so in love with her. I was glad that he whipped Simon and popped his dad to, I was rolling. Ronda know he messed up, now that Char finds out she carried a baby to the safe point, the baby by Rachel is his. I don't think Char will be able to handle it. Ryan should have stayed loyal to those who helped him, now messing with Noble got him locked up with no bond. I wanna know why Xavia ran off when ole boy from New York spoke to her, what's going on there? Can't wait for part 3!!!!

Q Owens says**AWESOME!!!**

I absolutely loved this series from the beginning of the first book...I really dislike Tasha...I can't wait to see what's up with Ky's sister and I can't wait for all the drama that's gone come from that ending. I can't wait to read part 3...Zan has to be alright...Great job Nikki....

toni zardies says**Thug love at it's best**

What can I say you did it again, this series just keep getting better and better with each book. I love all three of the main couples, love Zan mother she is very out spoken I see where he get's it from.Great job author, can't wait for the next part.

LATIEFA says**What is Rondo goin to do now that the baby is his and poor char I'm happy about the baby but sad for the**

situation with the Rachael chick hopefully they won't have to go through what Zan went through with baby momma from hell. I'm glad It's relationship is going strong,Z2is a funny kid,he's just like his dad. I truly hope-pray that Zan baby !mother had nothing to do with Zan getting shot.

Shonese Scott Brown says**Sad ? and mad ?**

The book started out good. Everyone was happy except Tasha of course. The couple's were getting on track. Then Tasha went left. She only got that job because she thought Zan would come back. The joke was on her ?. Everybody tried to warn Zan but he did not listen. I love the honesty in this book from all these men. Ky got Lovey straight real quick. I pray Zan wake up. I have my thoughts on who did that to him but I will keep it to myself. Waiting on book 3.

Linda Vasquez says**Great**

Great book. The drama is off the chain. I can't believe Tasha. She is such a stupid B. I was glad when Zan finally cut her of. I hope Simon learned his lesson and he leave Asta alone. Now for Zan I don't think Tasha

did the actual shooting but she know who did and I think it has something to do with Pink. I can't wait for part 3.

A awesome continuation

This was a awesome continuation of part one. This book picked up right where it left off. Tasha need to do better and I'm glad Zan was able to do better. I hope everything works out for him and Neala. My and Asta going strong, I wonder will we hear from Simon and his father again. I hope Rondo and Char are strong enough and has enough love to take them further. My heart felt heavy for Char at the end. Zan, My and Rondo are really good guys. I hope everybody who deserve karma gets it served very hot on a plate.

Shalana Johnson says

Awesome ??????????

Ms Nikki part 2 was a page turner!!! I'm so happy for Char yet sad I want she and Rondo to work out minus the drama that Rachel will bring their way?????can you please get rid of Noble's ass!!! I just know that Asta is pregnant also♥?♥???Zan is so funny I love him and Z2???♥?♥?Ready for part 3 ??

Carol Cooper says

Really great part 2. The characters are finally together in some sort of way. Asta & Ky.. yeah he's a good

dude, very protective & honest. Tasha... is just a low self esteemed woman, who thinks that because she had Zan's child she is entitled to something. Nene She is a beast, and so cute with Z2. Ronan & Char, please get them together... Pink (Black) yep yep yep.... Looking forward to part 3.

shawanda Woods says

Great part2

I bet Pink ole soft behind is behind Zan getting shot. Rondo and Char have a long road ahead of them. Zy and Asta is just the cutest thing ever. Tasha needs to get some buisness and a psychiatrist she is looney as heck. Whats the story behind X and Wood. Hurry with part 3
