### **Carla Shivers says**

I really enjoyed Tank. A little bit different because the woman was not your typical size 3 and that was refreshing for me. Annie was more head strong which I liked as well. I wasn't able to put it down once I started reading it. I have enjoyed all of the books in this series so far and this one as well. Can't wait for more.

#### **Red Devils series**

I have read all of the books in the series and loved them. Tank & Annie's story was sweet, hot and has a great plot. I'm looking forward to Charity's story coming out.

### **Judy says**

A good story with good characters but at book 4, the story is a little too predictable being very similar to the first three. And the editing issues continue.
