## Cats and Dogs: Mutts II Patrick McDonnell

*Mutts* centers on the day-to-day adventures of two companion animals: a dog named Earl and a cat named Mooch. Earl and Mooch interact with each other, their human guardians and a large cast of neighborhood animals. *Mutts* explores the special bond between animals and their guardians, and the endearing friendship of Earl, the dog, and Mooch, the cat. It strikes a delicate balance between joy, fun and responsible social commentary. *Mutts* has been recognized for its distinctive style, heartwarming humor and compassionate advocacy for animal issues.

## **From Reader Review Cats and Dogs: Mutts II for online ebook**

### **Susan says**

A second charming collection of cartoons about the friendship of a dog and a cat. Sounds like a children's book, it's true, but McDonnell starts to show his chops as an artist, as he gently parodies more famous works of art. More characters (mostly animals) are introduced into the series.

---

### **Pam Bales says**

Compilation of the newspaper comic strip. If you love the strip, this is a good addition to your collection.

---

### **Kim says**

sweet, endearing comic

the hibernating bear, Nelly, Crabby and Shtinky Pudding aka Jules are introduced

---

### **Michael Anderson says**

The 2nd Mutts collection, in 1997, much the same as the first. Kind hearted humor throughout.

---

### **Catherine says**

so cute

---

### **Mary Catelli says**

The second collection. Where the art is all the recognizable form. And things get introduced.

The guard dog appeared last time, but this time he takes form as the chained dog of the strip. Shtinky Pudding appears in a Christmas tale. Shnelly appears, or at least her ears -- she's only seen in the window as Mooch makes his first efforts to woo her. (And then gets over her.) For the first time, Mooch decides that this hibernation trick of the bear's is pretty cool and investigates. And we actually get a lead in to their annual summer vacation: Milly and Frank invite Ozzie to share their vacation beach home. Which introduces our favorite foul-mouthed crab, Crabby.

Other stories sequences, other stand-alones as well.

---

### **Connie says**

MUTTS makes my heart smile big time.

The characters are so touching and heartfelt that I have cried numerous times reading this comic.

A+ on all the MUTTS comics by Patrick McDonnell!

---

### **Susan says**

Love the Mutts...!!!

---

### **Sari Lynn says**

Charles M. Schulz, creator of "Peanuts", said it best: "To me, "Mutts" is exactly what a comic strip should be."

Delightful, bittersweet at times (more sweet than bitter).

---

### **Gonzalo Oyanedel says**

Earl y Mooch prosiguen sus aventuras gracias a la inventiva de un McDonell que no destiñe, añadiendo nuevos personajes y sacando provecho de situaciones que además de entretener llaman a la reflexión. Una serie cuyo segundo recopilatorio muestra alegres avances respecto de su ya magnífico debut.
