How to seduce a sheriff

Sexy Will Fletcher is back in Blackwater Lake for the summer? No one's more excited than April Kennedy, the woman he left behind. Eager to avenge her heartbreak on the man who hurt her all those years ago, April is determined to make Will fall for her. But this time, *she'll* be the one to walk away.

Taking the job as temporary town sheriff gives Will the opportunity to make amends to his family and April. While he doubts the little town is big enough for the awkwardness between them, her ability to forgive, forget and maybe even move forward amazes him. Is there new love blooming between them? Or is this lawman going to land in a bucket of heartbreak?

Harlequin Books says

"Will and April's familiarity offers a healthy dose of honesty in the heated love scenes and playful banter, but it's the tender ending that is truly perfect" (4 stars @ RT Book Reviews).
