## Juvenile Justice in America Clemens Bartollas

**An in-depth look at juvenile justice lets students see into the minds of delinquents, victims, and field professionals.** *Juvenile Justice in America* provides an in-depth look at the lives of juveniles, their experiences in society, and the consequences of those experiences. The text carefully examines the structures, procedures, policies, and problems of American juvenile justice agencies. The Eighth Edition places further emphasis on delinquency prevention, and features a new chapter on juvenile offender populations to give readers a more comprehensive view of delinquents. Boxed features in every chapter highlight the practical realities of working in the juvenile justice system. The careful balance of theory, evidence-based findings, and practical applications gives readers the most up-to-date insight into the state of juvenile justice in America today. *Juvenile Justice in America*, 8/e is also available via **REVEL(TM)**, an interactive learning environment that enables students to read, practice, and study in one continuous experience. ### **Ubiquitousbastard says**

There are some misspellings and grammar mistakes that were a little jarring to read. I also noticed a very strong anti-gun bent, blaming guns for a significant amount of juvenile crime. I can honestly say that I never knew a single juvenile who had a gun or used one in during a crime. Taking away guns isn't going to solve the problem of juvenile delinquency.

### **Skai says**

Interesting book, learn a lot, I had to read this book for my Juvenile Justice System class. Good Info. And especially for my career path.
