Meet the Beat Bugs (Beat Bugs) Anne Lamb (Contributor)

Based on *Beat Bugs*, the Netflix TV show inspired by songs made famous by the Beatles.

Meet five funny, charming Beat Bugs—Jay, Kumi, Crick, Walter, and, last but not least, Buzz! Learn about where they live, their favorite activities, and why they are the best-est of friends. Readers will enjoy meeting all the various, fun, quirky characters in Beat Bugs Village.

Beat Bugs: Meet the Beat Bugs is a Level 1 I Can Read and is perfect for new beginning readers.

Margaret Chind says

My five stars is from a combination of the book and the show. I was so sleepy yesterday and my toddler needed some entertainment. These books had arrived so I handed him the books and turned on Netflix with the show in our kids profile and let him watch a few episodes. It was great for while the newborn was sleeping in my arms and he was reading/watching entertained. I was in and out of sleep and it was a relaxing show to have on in the background. I will definitely let me kiddos watch this show more to learn about character and friendship as well as hear some vintage Beatles tunes.

Lamb, Anne Beat Bugs: Meet the Beat Bugs. PICTURE BOOK. I Can Read Book (HarperCollins), 2017. \$4. 9780062640666

Come to Beat Bugs Village to meet all of the Beat Bugs. Each bug is introduced with its name, the type of bug it is, hobbies, and personality traits.

This easy reader is a good introduction to the TV show of the same name, based on songs from The Beatles. Each bug is well described, but there are so many of them! A younger reader could get bored or intimidated. There is no real story in this book, just the introduction of the characters. Those who love the show, will likely enjoy the in-depth descriptions of the bugs as well.

Lynda says

This is a great introduction to the new Netflix preschool characters, Beat Bugs. Each character is introduced with a brief description of their personality, habits or likes. This is a level 1 I Can Read! book for readers who are just learning.

"I like characters especially Kumi and Lucy. I love the big pictures." - V age 3

Darinda says

A Level 1 reader. A great introduction to the Beat Bugs. Short, simple sentences for young readers. Good for kids that like the Beat Bugs series.
