\*\*\*MISADVENTURES ARE STANDALONE ROMANCES THAT CAN BE READ IN ANY ORDER\*\*\*

Like most girls at Ridgeville High, Clare Winston has spent years fantasizing about sexy star quarterback Eric Hayward. He's gorgeous, talented, and untouchable. While Clare studies her way to the top of the senior class, Eric and his best friend Travis Whyte have stayed busy throwing game-winning passes and taking the cheer squad to bed.

Shy and mostly solitary after a tragic loss, Clare has never been on the radar of any social scene. Then a steamy chance encounter changes everything. Suddenly one naughty misadventure isn't enough—for either of them. Eric is determined to open Clare's eyes to every kind of pleasure, even if it means exploring an unconventional arrangement and ultimately taking a chance on something deeper.

But with change comes new challenges. Temptation lurks at every turn, and Clare has to decide if Eric is the one who deserves not just her body but her heart.

Misadventures is a romantic series of spicy standalone novels, each written or co-written by some of the best names in romance. The stories are scandalous, refreshing, and, of course, incredibly sexy. They're the perfect bedside read, a 'quick blush' for the reader who loves a page-turning romance.

SCORCHING HOT!  
PANTY MELTING!  
OFF THE CHARTS!!!

Omg!! M.F Wild and Mia came together, and wrote one of the steamiest, and sexy reads that I have had in a LONG time! \*\*\* BEWEAR \*\*\* IF YOU DON'T LIKE HOT AND STEAMY SEX IN MOST OF THE BOOK, MOVE ALONG! And, if you do... welcome to the wild side!

Clare Winston is about to be on the adventure of her life. She's about to graduate High school, and the boy she has been dreaming of, finally notices her. Her life is about to change, and it's going to be a crazy ride. Eric Hayward is the star quarterback and can have any girl he wants. But, he has eyes for only one. When temptation hits, obsession begins.

This is a story about finding out who you are sexually. That is what growing up and experiencing life is all about. Clare and Eric are crazy about each other. But, when their relationship turns different directions, it's hard to know what's up and down. Everything Eric tries to do in Clare's best interest hurts, and Clare is hurt cause of Eric's best intentions. I have watched these two grow over the course of the book, and I loved that about them. Clare found out that she was strong, sexy, and has confidence that rivals others. Eric learns early on that he knows where his heart lies, and he will try his hardest to keep it intact. His passion shows in everything he does. These two are going to drive you crazy with their antics. But, I have to say this.... M.F. and Mia wrote a story that leaves you blushing and saying oh my GOD! Three things you may need while reading this story is... A fresh pair of panties, cold showers, and a big ol' bottle of wine!

First chapter gets right to it! Story had me from there, stayed up late a couple of nights made for sleepy mornings! Fast paced and hot sex scenes, Clare and Eric's story at times had those moments where you're thinking or talking out loud "what are you doing?" Good girl gets the hot football jock who very quickly realizes what he has in her and stops at nothing to make her his!

## Cassie Boone says

Steamy, sinful, sexy...This book is hot!

If you're looking for a low angst, sexy romp with a wallflower who comes into her own sexual awakening with a sinfully sexy football player then look no further!

Clare Winston is the shy Valedictorian who is crushing hard on the star football player Eric Hayward. After a night of passion they part ways, until Eric sees her with someone else...he wants her for himself, but believes

she should have a few more experiences before she is tied down to one person.

This book will make you blush! It's all kinds of sexy...I mean ALL kinds! Seriously HOT!

Absolutely NO STORY AT ALL....they don't know each other..they screw.....6 months later she's in love with him despite the fact she hasn't heard from him since their threesome when she lost her virginity ..... Etc etc etc. Seriously....this book went beyond ridiculous

### **Tiffany Martin says**

Absolutely AMAZING!!!! Holy hot sex!!! I was lucky enough to receive an advanced reader's copy of this book. Clare Winston is like so many high school girls who are in love from afar....the boy happens to be Eric Hayward, the star football player. Eric finally notices Clare after the final football game of their senior year. After one night of immense passion with Eric they part ways....that is until he sees her with someone else. Eric wants her all to himself but believes Clare should go and live a little and get some experiences before being tied to one person. Will their new found love or lust be able to handle it???? I literally could not put this book down!!!! Amazing authors!!!!

This was my first book to read in the Misadventures series and all I can say is WOW! Hot and steamy from the first chapter! This one had me hot and bothered the whole time I was reading it! It was so hard to put down at bedtime knowing I had work the next day. I would recommend reading this on a day off because you do not want to put it down! There are so many emotions involved and you feel all the emotions of the characters. Such a thrilling novel! So full of fulfilling fantasies and roll playing that all of us dream of! I love living vicariously through these delicious books created by Meredith Wild and Mia Michelle!

### **Martha says**

???OMG Mia Michelle and M.F. Wild brought it!!!

This book is scorching from beginning to end. If you love tons of hot and steamy sex then this is the book for you.

Clare and Eric are on fire!! I loved these two so much. You will not be able to put this book down. Will they end up together?!

This is a MUST read ??????????

### **Kristina says**

This was beyond ridiculous. I didn't even care they were both screwing others all over the place. This is a book I laughed at not with. Really dumb.

### **Sharon says**

I feel like I'm late to the game on these Misadventures, but now that I have tried a few, they are on my one click list. In my opinion, these are similar to the 1001 Dark Nights series since each book is a standalone and is and they are a great way to sample new authors.

Clare Winston has her eye on Eric Hayward, the star quarterback. Eric finally notices Clare after the final football game of their senior year. Once they go to college, Eric gives her space to live a little and get some experiences before being tied to one person. OMG, they are both trying to get in every method of being intimate in any shape and form while they experiment.

There are a few cheesy moments, but overall, I enjoyed Eric and Clare. There was tons of steam and the way they grew as the book evolved was awesome. I could not put it down!

Hero 5 stars / Heroine 5 stars / Steam 5 stars / Plot 5 stars / Overall 5 Stars

Keys: Dual POV, MF, MFM, MFF, steamy

#MSBB - I voluntarily reviewed an advanced copy of this book

Wha..?!

I'm sorry, what the fuck I just read??

\*\* Contain huge spoilers:

High rating and all, the heroine was an average virgin, who had a crush from afar on the hero who was a college football super star, met him in person, kissed him, five minutes later had a threesome in the coach office with him and his best friend.

WITH THE COACH APPROVAL!

IN THE MIDDLE OF THE FIRST CHAPTER!

After a couple of pages who are equal to a couple of months in the story she lust, AGAIN, after the hero so

what did she do?

She grabs his best friend, AGAIN, in attempt to fuck him.

I stopped immediately

And I'm dumbfounded..

I won this book in a good reads giveaway for a fair and honest review.

This was not great it was just a bunch of sex with a bunch people with little plot and character development. The book even basically starts with sex and there is sex every few pages which would be fine if it served a purpose but besides kind of making the two main characters realize they wanted to be together it was just sex for the purpose of sex. I wouldn't recommend.

### **Angel Payne says**

Raunchy, delicious, fun, and fast-paced...such a wickedly fun read, and so satisfying for all of us former geek girls who had a crush on the football team stud. So many fantasies fulfilled! Loved it!

---

### **Theresa says**

Oh my goodness! Fire warning! This book is so steamy, it'll set your pants (or skirt) on fire! I'm really not sure I could take more sexiness. Unlike other "romance" novels, Ms Wild and Ms Michelle weave a fun story that has you rooting for Clare. I give it a four out of five because its too short! I want more! I'm as greedy as Clare!

---

### **Claire Harapat says**

Page turner for sure! Ended up not being able to put it down. Had to find out about what happens between Eric and Clare! One page I was saying "Nooooooo that can't happen." The next page was "Oh ... how will this turn out?" Not for the weak! This book has steamy parts!
