## **The Banks Sisters** Nikki Turner

New York Times "bestselling author Nikki Turner returns with her most spellbinding story to date: Meet the Banks sisters Simone, Bunny, Tallhya, and Ginger. The four beauties are living under the same roof by force, but they can't stand each other. Their only common denominator is their loving grandmother, Me-Ma. When she's not at work trying to make ends meet, she's home with her girls, trying to keep them from killing each other.

Tragedy strikes when Me-Ma has a heart attack at church. The sisters are shocked to discover that Me-Ma left the house and all her money to the church. Now the pastor wants them out, unless they can come up with the money to buy the house from him. To make matters worse, Bunny already owes over a hundred thousand dollars to a very dangerous man.

How can four broke women, each with their own mountain of problems, come up with enough money to save the family's home and save Bunny's life? They devise a plan that could have them rolling in plenty of dough as long as they can stay one step ahead of the law enforcement that's on the lookout for a group of bank robbers who have burst onto the scene.

**~CharlieAngel~ says**

Easy Come, Easy Go!

Talk About #Karma...

The Ending Had Me Shocked...

After All They Had To Go Through, Just To Have It Taken Away, Again! SMH!!!

#WhatGoesAroundComesBackAround

---

**Renita says**

I love Nikki Turner and the way she brings characters to life. The drama of the Bank sisters are worth reading about

---

**Valenciya Lyons says**

This book was great. There's so many twists and turns. Now I have to get part 2 and 3!!

---

**Michelle Gaines says****Surprised**

The characters and story line kept me very interested and intrigued to read what was going to happen next. When both the leading men got murdered this was surprising. I figured at least one would survive. The sister's pulled off the bank robbery the set up even worked and low and behold their no good, unfit mother took their money WHAT! I'm in a hurry to purchase the next sequel. This is a must read.

---

**Tamara says**

I really enjoyed this book, and can't wait to read book #2.

---

**Jenee Rager says**

I usually love Nikki Turner, and can't put down her books (especially the Hustler's Wife series) but this one is just off. The plot line is intriguing and I feel like it could have been something special, but the writing style is completely different that I've read from her. It's almost like Ms. Turner wrote an outline, and then allowed a ghost writer to finish the story, and they just didn't do it justice.

Anyway, the four Banks sisters are close as sisters can be. They are raised by their grandma after their deadbeat mom keeps dropping them off. Each has a different father, that with the exception of Simone's dad, was not involved in their lives at all. The start coming when Simone's father dies, and they keep coming as the book moves forward. The ending sets up the second book in the series and goes from there.

---

**Ella says**

great but not as good as girls in da hood

---

**Celina Y. says**

I really enjoyed reading this book although it did remind me of my favorite movie...Set it off. The Bank sisters can't catch a break. I'm ready to dive into part 2 to see what happens with these sisters and Ginger lol.

---

**Kimberly OutspokenMom says**

I stop reading after the first chapter , felt like I was reading a knock off version of set it off. Too predictable

---

**Kimberly says**

Loved this book! Very thrilling and exciting to read.

---

**Kendra Carter says**

Kinda reminds me of set it off

---

**Terri-Ale Sanders says**

Too similar to Set It Off

---

**Vanessa Ayers says**

OMG these were some crazy sisters but you couldn't help but to love them Ginger kept me laughing.

---

**Natasha says**

Ughhh

This was the longest reading.. I hate the way this book is told .. Told in narrative form and had I known I wouldn't have bought the series

---

**Venessa says**

Other than the profanity it was a good read.
