A Little Badness

Josephine Cox

A Little Badness Josephine Cox

Young Cathy Blackthorn has never experienced any loving response from her mother; it is her beloved aunt Margaret, with a heart as big and warm as the summer sky, who has been more of a mother than her own could ever be. And when Cathy's father Frank Blackthorn brings home a London street urchin and announces this will be the son he and Rita have never had, Cathy despairs of ever winning her parents' love. Cathy is a generous soul, though, and tries to give the young lad a chance to prove himself, but unlike her best friend, David Leyton, something about him makes her more than uneasy.

Joan Archer says

Saga

Another gripping read I love reading her books as they are so well written and down to earth they keep you gripped to the very end.

LESLEY HEDISON says

Brilliant at the beginnings as always

Read a lot of her books now, one irritation is that the stories get too condensed at the end, it's as if she cannot wait to finish the book which is disappointing, still a lot of story and details to write before happy ever fathers.

Emma says

This was a fantastic read. The characters a very real and story has a fast paced, epic 'feel' to it.

Lynn Hutchinson says

Usual thoroughly good read. Enough complicated characters to keep your interest but not overwhelm you. Looking forward to the next one.

Mrs Carole Greenwood says

Typical Josephine Cox saga

A really good read, it is a compelling saga of tragedy and romance. It is written in typical Josephine Cox style

EILEEN SHEPPARD says

Would recommend

Another great book for this talented author, it has a bit of everything. The family from the big house who

hate their only child, a beautiful daughter named Cathy. Her father besotted by his cruel wife who both blame Cathy for not being born a boy, her lovely aunt Margaret who has always been there for her and Ruby the servant who is overworked but loves both Margaret and Cathy as if they were her own. Cathy has a young love, David, he loves her with his heart and soul and will do anything for her. The book is full of young love, hatred, hopelessness and triumph. It has good and then the downright nasty make this a right good read.
