## The One to Love My Soul Candi B

\*Standalone\*

“We accept the love we think we deserve.”

Amaya Green is your average every day woman except she walks around with a stone-cold heart and broken soul. Different events in her life causes her to shy away from people and society. She had been hurt to many times by the people who were supposed to love and protect her. With a broken heart and trust issues she completely dismisses the thoughts of being in love. No one could possibly love someone as broken and damaged as her.

Cameron “Cash” Owens decided to leave the streets of Atlanta and pass the torch to his baby brother Meek. He’s made more money than he could spend in three lifetimes. The street life wasn’t fun for him anymore and he wanted some stability in his life. He joins up with an old friend and is introduced to the corporate world. Sitting in his office his secretary walks in and he is instantly taken back by her beauty. Amaya makes it known that she is not interested in him and their relationship will only be a professional one.

Amaya was smitten by Cameron the first time she laid eyes on him, but she knew she could never have a man like Cameron Owens. Forced to go on business trip with each other Amaya and Cameron both find themselves fighting feelings that are getting harder and harder to resist. The more Amaya hardens against Cameron the more he is drawn to her. Can Cameron soften Amaya’s heart? Will Amaya believe in love again or has the damage been done. Cameron is facing the biggest task of his life does he love a woman through her pain, even if it means opening wounds to his own pain or does he walk away with regrets? In this standalone you discover to love unconditionally is a difficult thing but true love is selfless and is inside of you.

## **Another Banger**

I loved this book you never know what someone has been thru in life. Cameron was the man in the streets until he wanted better for his self. He found love with Amaya. She had been struggling with what life did to her before she was even born. She was a shell within herself,he brought life into her. What and excellent read and a learning lesson.

?????

OMG!! This was so good. This book had my heart like wow. This was truly a love story. Cameron and Amaya was made for each other. I feel like they saved one another. Cameron brought Amaya completely out of her shell l. I love Papa Otis. He was such a good man and very low key...lol... Sad he passed but at least he left Amaya in good hands.... Loved it!!

**Tiffany Skelton says**

## **Hopeless Romantic**

I loved the storyline and I really enjoyed how the characters dealt with Amaya's condition and became an amazing family. The grammar in the book at times could be frustrating because I spent some time trying to figure out what it was supposed to say. As the book continued the grammar was a lot better.

**Vernell Howard says**

## **Great Story!**

This story is a great representation of true and unconditional love. The flow of the story was on point from beginning to end. The characters personas were depicted very well. I really thought there were certain reasons why things were happening in the story, but as I kept reading I understood the reasons, the seriousness and why things were the way they were. I never had an inkling what existed. I'm just glad Amaya found someone who loved her for her and vise versa for Cameron. Love prevailed once again letting me know absolutely how powerful love is and how it will continue to be for those who believe. I'm happy there were happily ever afters for Ericka and Tony, as well as Big Meek. Great Read! ReneeG ?

## **Sybil Pun says**

### **Very well educated, but a tad boring!!!**

This was a sweet romance, yet very boring. Besides the deep education regarding HIV and how you can get it, prevent it or tame it, the best part was when Cam was being all badass alpha gangster romantic man. I love it... Amaya was cute but a little bit too soft for Cam, but at the end, all was fine and worked out. Several typos were there which kind of made one stumble a little bit but the HEA was awesome...

---

## **Lynelle Watson says**

### **Amazing**

This book was everything. I enjoyed this book so much. To see a young lady break out of her shell for love but still try to run from love at sometime is so realistic. Best standalone I read in awhile.

---

## **Adrienne says**

### **Good short story**

This was a good short story I am so happy for Cameron and Amaya and their happily ever after Amaya deserved it and Cam never gave up in her I gave this book 5 stars but the only dislike was Mr. Barker and Baxter it had me confused to which was his last name over all good job

---

## **shawanda Woods says**

### **Good Book**

Man my emotions are all over the place. Papa Otis is the real MVP. Cameron and Amaya really needed each other and the love they shared was real. Two lost souls made into one. I liked the twist and turns. Editing could have been better.

---

## **Rochelle says**

### **Great love story**

Omg... This was a beautiful love story. Loved how you brought awareness to the readers about HIV/AIDS. Will there be a story with Meek? Wish we could get some more insight on his relationship.

---

## **Nadia Adams says**

### **Great story!!!!**

Life lessons are often the hardest and most rewarding at times. Cameron thought Amaya how to let go of her inhibitions and live life and she thought him how to love unconditionally.....

---

## **Monique says**

### **Powerful Story**

I really enjoyed this story. It was touching in so many way. Amaya came out on top. She had been taken though the ringer. Cam came out on top too. Meek had me cthu. Good job educational while still holding your attention. Most people don't know nothing about aids/hiv.

---

## **Jaquay says**

### **Emotional...**

This book was so emotional. To know that you are living with so many secrets and so much pain it's hard to let people in. Amaya had a beautiful soul and Cameron came and nurtured her heart and soul. It wasn't easy but he did it. What a amazing Love Story. Bravo. Must read.

---

## **Jacquis says**

### **I applaud the Author**

I gave this book 5 stars because it's rear that you find Amaya's condition portrayed in a romance book... I applaud the author....There were a few typos but over all it was a nice read...

---

## **evette w says**

### **Good Story**

This was such a refreshing look at a romance between two people who are different as night and day, but ultimately the same. I love that we're getting an inside look at this relationship and not about the business. I love you get an enjoyable experience that's real and you can relate. The subject matter in this story is a heavy subject but the writer handles it just beautifully. This is a really good story with a few typos but it doesn't take from the story.

---

## **Shronda says**

### **Loved it ♥?**

Wow.. This book was really good. Now that's what you call Real unconditional love. Poor Amaya had endured a lot. Cameron was in too deep with her and loved her so much. Even after finding out her secret he couldn't lose her. Tyesha tried it with them by exposing Amaya out. But she really just helped her free herself. It was sad when Papa Otis died. I'm glad Amaya and Cameron got their happy ending.
