Wolf Rain Nalini Singh

New York Times bestselling author Nalini Singh takes us on a new adventure in this next novel of the Psy-Changeling Trinity series...

The end of Silence was supposed to create a better world for future generations. But trust is broken, and the alliance between Psy, Changeling, and human is thin. The problems that led to Silence are back in full force. Because Silence fixed nothing, just hid the problems.

This time, the Psy have to find a real answer to their problems—if one exists. Or their race will soon go extinct in a cascade of violence. The answer begins with an empath who is attuned to monsters—and who is going to charm a wolf into loving her despite his own demons.

27th November 2018:

Yay, it's been confirmed. This next book will feature Snow Dancer's very own Lieutenant, Alexei.

Have a look at Nalini's newsletter to see an excerpt from her working draft featuring Alexai... and from the sounds of it, the main female Psy will be named Memory. I can't wait until June ???

And I cannot wait to hopefully catch up with the characters we all know and love. I feel like the Psy-Changeling-Trinity "season 2" so far, hasn't been *as* impactful. So I really hope this book changes all of that.

I remember how the third book featuring Judd and Brenna just somehow changed everything for me in this series. And I'm hoping that somehow Wolf Rain will bring that spark back. Well, here's to hoping ?

19th October 2018:

I cannot wait to read this!! :)

Nalini is one of my favourite pnr/ urban fantasy authors, and this series is one of my all time favourites! So, I KNOW this book will be amazing!

Shiiittt. I'm intrigued. I'm going to have to do another marathon read like when I was trying to get to my "holy grail" of this series. At least it's only 4 books as opposed to 13?

Camila, the opinionated Catruler says

Alexei's claws sliced out.

THERE'S GOING TO BE A NEW SNOWDANCER BOOK?

RainStone pack?!?

Ommmggg I missed SnowDancer so so much. Don't get me wrong, I loved the different changelings we've gotten to know but there is just something about the cats and leopards, it felt like coming home.

To sum up: I will be forever addicted to this series. And Nalini is fucking genius.

Update: 29 Nov, 2018

So this book is going to be about Snowdancer Leutenant Alexei and Memory. I am gutted over the fact that **this won't be about the BlackEndge Russian wolf pack.**

(If anyone remembers who Memory is please let me know. Ha! I didn't even mean for that to be funny ;))

30 Oct, 2018

Was hoping for more from the bears but won't mind if this one is about the Russian wolf pack. I DON'T EVEN CARE, IT'S MORE NALINI SINGH! I AM TRASH FOR THIS SERIES

***Francesca (Mother of Cats) Selina* says**

Still need to read Ocean Light (not looking forward to that...at all...I hate you Bowen) but man am I curious about this Memory and what her designation/powers might be....and I'm so happy to go back to SnowDancer!

If only we could have a cat/cat relationship next! It's the only one Miss Singh hasn't used for a full novel (yes, I remember about Tamsyn & Nate and Bastien & Kirby)....

Oh, a grumpy wolf!

Can't wait to read some tips from *Wild Woman* magazine about that. :P
