Bainbridge's Mergers and Acquisitions, 3D (Concepts and Insights Series) Stephen M. Bainbridge

This text provides a concise statement of the the state corporate and federal securities laws governing mergers and acquisitions law designed for law students taking an advanced business law course such as mergers and acquisitions or corporate finance, lawyers practicing in corporate takeovers, and judges faced with cases arising out of such transactions. This thoroughly updated third edition features a considerably expanded treatment of practical aspects, such as drafting merger agreements, preparing disclosure documents, and dealing with takeover defenses.
