Knight of Seduction

Cheryl Holt

Knight of Seduction Cheryl Holt

Bestselling author, CHERYL HOLT, delivers another sexy, exhilarating tale of love, betrayal, and redemption. With her first story set in medieval England, Cheryl proves once again that she's unmatched in her power to thrill and tantalize readers around the world.

CAN A DAMSEL IN DISTRESS

Hugh of Manche has lived a man's life, fighting for king and country. He's built his reputation as the toughest, most violent knight in the land. But when his loyalty is rewarded with the title Baron of Morven, when the king gives him the castle and lands that go with it, Hugh finally has a home of his own. He arrives at Morven and—in an effort to keep the peace—is determined to wed the prior lord's daughter. He's heard that the girl is a timid, shy maiden, and he's resigned to the match. So he's unprepared to encounter a fiery vixen who stirs his blood in ways he'd never imagined.

TAME THE WICKEDEST KNIGHT IN THE KINGDOM...

Anne of Morven has always wanted to become a nun, and she hopes to take the veil—if only she can get her cruel stepmother to agree. She's always felt that a life of piety and prayer would calm her more wicked impulses. When Lord Hugh arrives, ready to claim his rights, Anne is the first person to learn how ruthless he can truly be. From the moment he lays eyes on her, he's determined that she will be his bride. Nothing will dissuade him in his quest to make her his own.

As Lord Hugh forces Anne to the altar, then tutors her in the ways of the marriage bed, lust blossoms and sweeps them away. Can love be far behind?

P. says

Holt has written 2 books with near identical plots and cast. This is the better one by a star or two.

Billie Jo says

A wonderful story that will make you laugh and cry!! I love all of Holt's books. She is one of the few authors who dont add a bunch of wordy paragraphs but instead keeps the reader turning pages and falling in love with the characters.

Amanda Richardson says

4.5 stars, loved this book, loved the medieval setting always one of my favorites. Hero sieges the castle and the heroine's sister begs her to trade places with her. Hero forces her to marry, but lets her know that he is aware of the deception. Pretty hot and steamy book!

The only thing I didn't like about the hero was him contemplating bringing a mistress to live in the village. I don't think it was realistic the way the heroine acted in that time period. I really liked the book and I want to read more from the author!

Meaghan says

WOW! This book was Fantastic! I was enthralled at every turn and couldn't put it down and I definitely give cheyl Holt Two very enthusiastic thumbs up.

You were able to route for the characters, and grow to love them. It was an exciting book and I can't express enough how I had to finish it before puting it down!

Heather says

Quick read which I enjoyed until the end. The ending was lacking. The sex scenes were also lacking...no steam.

phyllis says

Have not read those two books yet. Have to wait until I read them

she is a great author. Will keep reading her books

I am so happy with Amazon and excited to be able to read these fantastic books that they have

Zoe says

Super duper fantastic! Hot, brooding man. Firey insecure female. bumbling relatives and a big beautiful castle, with all sorts of mishaps and steamy love inbetween. Does exactly what it portrays, a first rate historical romance! X

Sieravonne says

I never believed that Rosemunde, Anne's half-sister, cares and loves Anne. She was a hypocrite like her mother.

Djg says

This was a pretty fast read. The romance was bit lacking but the pace was good.

Kerry says

loved this book great old english day's sexy knight's fighting and chasing the fair maiden's, controversy lust, emotion and hot smut all a fab combination making this book sexy and a great read xx

Martha says

Short yet Nice!

Michelle Connolly says

An enjoyable quick read and the best I have read from Cheryl Holt so far.

Jen Pezzotti says

I really hope she writes Henry's story and perhaps Rose's too.

Linda C says

Lord Hugh has been given the Morven Castle and lands when the prior owner is hung for treason. He is given the option of marrying the daughter or removing the family and marrying elsewhere. Rosamunde, the daughter convinces her bastard sister, Anne, to pose as her and put Hugh off until her mother returns home. Anne has determined to enter a convent because she is an outcast at the castle, but goes along with the deception to keep the peace. But Hush doesn't wait for the traitor's widow to return but determines to wed immediately and he likes Anne's spirit. He is not fooled by the trade. Once the wedding is held despite Anne's objections, she determines to make the best of things since maybe now she can create a real home. Hugh and Anne are both insecure and mistrustful. The traitor's family causes problems and people in Hugh's past cause issues. Good story.

Jenny says

I loved the medieval setting, I adored the heroine! she was an angel so it really bothered me that hero was contemplating bringing a mistress to live nearby. She wanted to be the perfect wife for him but he was an asshole even though his love confession at the end was swoon-worthy. Still I am not sure I forgive him. Also the sex scenes were rated G! Not steamy at all!
