The brave dragon rider, Tallin Arai, continues his fight against the Balborites, a cult of religious fanatics and deadly mageborn assassins that have been wreaking havoc across the continent. In the east, the dwarf kingdom crumbles into chaos. The dwarf clans go deeper into civil war, while an even greater danger rises up to destroy the entire dwarf kingdom, once and for all. In desperation, the dragon riders and the dwarves must turn to the elves for help.

Can they set aside their differences long enough to save their homeland from the Balborite menace? Or will their kingdoms be destroyed?

Dragons, dwarves, assassins, elves, magic—in a sense, *Rise of the Blood Masters* has it all. *Rise of the Blood Masters* especially with its pacing. The book is the perfect length for a relaxing weekend read, and its pace never slows so as to lose the attention of readers. You won't be disappointed. Great Reading Everyone.
