## **Separation Anxiety** Karen Brichoux

Karen Brichoux takes a bold new turn with this cutting-edge, well-written novel about a lifelong friendship between a girl and a guy in their twenties.

After "breaking up" with her friend Jonah, Wichita Gray has to give some serious thought to what makes a man a friend and what makes him a lover-so she can avoid repeating the mistakes of the past, and grab her chance to get it right...

### **Claudia Blackman says**

I hate every character for different reasons and all the flashbacks are a pain to follow

---

### **Sara says**

Good funny, light reading for adults.

### **Lauren James says**

I like it so far, the girl is kind of giving me whiplash because she is all over the place but i like it.

### **Es says**

i enjoyed this book. reading something that doesn't require too much thinking once in a while is always a good change. It had a good story line and the flashbacks were used effectively throughout the chapters.

### **Ada says**

Interesting book. I was expecting something very light and fluffy, and the book surprised me by having some depth.
