## Silver in the Wood Emily Tesh

There is a Wild Man who lives in the deep quiet of Greenhollow, and he listens to the wood. Tobias, tethered to the forest, does not dwell on his past life, but he lives a perfectly unremarkable existence with his cottage, his cat, and his dryads.

When Greenhollow Hall acquires a handsome, intensely curious new owner in Henry Silver, everything changes. Old secrets better left buried are dug up, and Tobias is forced to reckon with his troubled past—both the green magic of the woods, and the dark things that rest in its heart.

**Hana (linh\_hermione) says**

The author of this book teaches at the secondary school I used to go to... one of my closest friends is still in touch with her. Seeing her book blurbbed by Naomi Novik is weird, to say the least... but I'm excited to read it!
