"If I'm going down, I might as well pick my poison. I pick you."

\*\*\*

A Cobalt Bay Billionaires story.

\*\*\*

She couldn't be sure whether he was her predator or protector... but she was doomed to love him either way.

\*\*\*

It was a summer they will never forget.

Young and naive Cassandra Collins finds herself offered up as interest for her cousin's debt to a powerful man who craves her as fiercely as he resists her.

Wary but tempted, she struggles to get through the summer without stripping herself of her virtue, and losing her heart to Sebastian Vice—a man so beautiful and broken, he will hurt her as much as he will love her.

Under the blazing sun and amidst the sultry heat of their forbidden desires and secret fears, will Cassandra find the love that will change her life forever? Or will she face the punishment of falling for a wicked Vice?

Wrought by secrets and scars, this is a story of two people who hunger darkly and desperately for a love they are strangers to—a love that endures, hopes and sets them free.

### Komal says

Sebastian Vice has been my crush since I read it 2 years ago. So well written.. Honestly I can read it again and again.

### Shreya Kishore says

Virtue and Vice reminds me of the classic 'Beauty and Beast' at many points. There is the virgin, doe-eyed Cassandra who is left at the mercy of the monstrous billionaire, Sebastian Vice. As the story progresses, she turns into his Virtue and he becomes her vice. Throw in some twists and mysteries and you have a pretty good story. Great love stories are never easy rides.

The intense writing and all the poetry were my favorite parts. The book was addictive and I couldn't put it down. It was really amazing. I fell in love with Seb and Cassie. Sometimes, they were infuriating but I couldn't give up on them. The author has great writing style. I haven't read a book as good as this in some time now.

"If I'm going down, I might as well pick my poison. I pick you."

awalnnya krn penasaran ma kalimat d atas, akhirnya dilanjutkan dg membaca @watty cassandra collins...

awal bertemu ketika berusia 17 jelang 18, d jadikan sebagai alat pembayaran bagi hutang sepupunya cassandra or cassie sendiri sbrnya d bohongi dg alasan d ajak liburan musim panas d cobalt bay ma sepupunya timothy..cassie yg sdh ga punya siapa2 lg,dan takut bakal diapa-apain ma sepupunya nurut aj.maklum, timothy mrpkan wali nya selepas paman n bibinya ga ad lg. n then,suddenly... dia berada d depan rumah one of the most powerful man, salah satu bujangan paling d buru d cobalt bay,dg reputasi dan kepribadian yg cukup "menyeramkan".blm lg rasa malu yg hrs cassie terima pas tw alasan sbrnnya knp dia

berada d rmh nya sebastian..

sebastian vice....

memiliki reputasi sbg pebisnis yg cukup keras,sinis,dan dg masa lalu yg sgt gelap. sebastian aka seb memiliki pengalaman masa kecil yg traumatis, kehilangan kasih sayang ortu, dan d usia muda sdh hrs mengalami berbagai cobaan...well,at least we know why...

dan d musim panas

seb marah pas tw alasan cassie berada d rmh nya,walaupun tergoda namun berusaha kuat menahan, sementara cassie d sisi lain marah krn d jadikan sbg alat pembayaran,blm lg pas tw sepupunya jg trnyata memakai uang utk kuliahnya yg d siapkan oleh alm. om n tante nya utk bersenang-senang ga jelas. dg harga diri yg dimiliki cassie berusaha nego dg mencoba membayar pake uang tabungan pribadi yg jumlahnya ga sbrpa n eng ing eng,trnyata jumlah utang sepupunya ma seb jg ga main...2 jt dolar..hahhh..blm lg si seb smpet marah2 ma cassie krn dikira tw tujuan sepupunya,pas tw kalo trnyata cassie ga trlibat,seb lgsg mw mulangin cassie balik lg k rmhnya krn ga mw jd babby sitter anak remaja.lol.

cassie yg takut ma sepupunya timothy, milih ngabisin summer holidaynya d rmh nya sebastian,smbil mohon2 agar ga d pulangin krn takut ntar timothy bakal bkin hidupnya sengsara d rmh.cassie ttp mw ngusahain agar bs kuliah agar bs segera mandiri dan jauh dari sepupunya.akhirnya seb setuju cassie tgl d rmhnya selama musim panas,selama cassie ga ganggu hidup dia,dan bakal "invisible" d rmh nya.wkwkwk n the summer begin....

begitupun takdir yg sdh d gariskan d antara mrk (cieee)

sbnernya mw ksh rate 5, cumaaa...krn seb smpet ga setia selama mrk putus (sempet terjadi salah paham,namun semua salah seb jg sih) jd saiai pilih 3 aj.

ceritanya mengalir,,recommended buat yg mw baca pas d waktu santai.

The author's a really good one - Ninja has this way with words that will keep you reading even if you don't like some other aspect of the way the novel was written.

That being said, although she's so good with words, I faced some struggle finishing this book. I wanted to, but at the same time things were getting so repetitive that I couldn't find it in me. I had to push myself and I finally managed to finish it on the third day.

Frankly, I didn't like Cassie. In a way I guess that's what put me off in the first place - the book was basically centered around three or four unfortunate events, which were pretty much the same thing happening over and over again. I got tired of reading about the same dilemmas over and over again.

TMM was way better than V&V, and if it was on goodreads I'd give that one four stars. But V&V remains with two, just barely. When she posts the rest of the cobalt bay billionaires novels, we'll see how those go.

this is one is different because it has some mysterious feel to it but nonetheless, it is still beautiful. it portrays how love can change and overcome the deepest secrets of everyone. how love can conquer all! i also love

this. i think i love all your work! thank you again

Bitch please.

This is the first book for the Cobalt Bay Billionaires, and I was having seizures. Sebastian and Cassandra, you have broken me for others, and I'm am still waiting for the other Cobalt Bay Billionaires to ruin me beyond recognition. I love love love this book. And I highly recommend it to everybody!!! !Vamos; lets go and wait for Oliver and Vivienne!

This was a rollercoaster of emotions. I loved the heroine she was a gem. He technically cheated on her and again when they were apart he wasn't celibate eventhough it was a drunken mistake. Otherwise it would've been a 5 star read for me.

Wattpad Read

Virtue and Vice begins when Cassie is forced to spend the summer with a strange named Sebastian. She never would have expected everything that happened to happen, but it's a summer for a lot of learning for her. And Sebastian may be older than her, but he feels the same way. Neither of them know how to deal with the feelings they have, and mistakes will be made. But they hope to come out strong in the end.

\*\*May Contain Mild Spoilers\*\* You have been warned!

This book started out great in the first half of it! I really enjoyed Sebastian and Cassie together. They were great. I did not like the whole possibility of cheating in this book. I won't go into details, but that really ruined it for me. And it didn't make a lot of sense to me either. I felt like Sebastian shouldn't have been like that because he didn't want to be like his father. Other than that the second half of the book start out pretty good too. But I really hated out it felt like Cassie was playing games. I understood that she had to change, but I hated how that part of her changed, it made her into a heroine I didn't like all that much.

It does end in a very nice HEA though, so that was really good. But it is for sure an emotional roller coaster.

First off, you need to know that this book has a lot of mature content. If you're interested in reading it, while being very much not "of age", I encourage you to proceed with caution. Now before you say that I'm a hypocrite for reading it - since I too am underage- let me make it completely clear that I skipped through all the inappropriate moments. It's kinda hard to dodge them, but having read other books from this author, I'm sure that she knows how to twist the most overused cliches into a good story. Very well written and you also might get some laughs from it. I definitely enjoyed it and it also got me more hooked into poetry, which for me is exciting. I really don't know what to rate this one, since it is sort of like a guilty pleasure from all the romance. My rating is three pink daisies, which is very significant to those who read it.

### **Kirsten Holmen says**

I would recommend this book to anyone who likes romance. It is dark, yes, but it is beautifully dark. Like everyone they have their problems, but they accept each other with all their flaws. I feel as if you can relate to their flaws in a way.

What I liked most about this story was Sebastian. Without Sebastian there is no story. He alone is what makes this book so dark and delicious. And I love how Ninja writes him. One second you love him and the next you just want to scream and gouge his eyes out.

I give this one a five out of five.

### **Casey says**

To be honest, I can say that at first I kind of liked this.

At first, it seemed poetic. The characters seemed gloriously flawed, and the metaphors perfect.

But then I noticed the cracks. First of all, the words they use. For a good part of the book, our two protagonists were talking more like they were either eighty in 1800 or from some sickening gothic novel set in 1706.

I once read a review in which the author was described as "in love with their own mind". In this case, that is perfect. Our author tried her best to make everything seem poetic and metaphorical, when in reality, it's about a horny, obnoxiously controlling thirty year old who can't keep his hands off a ridiculously dramatic 18/22 year old.

But back to the writing.

It felt like an overdone fan fiction if it's own characters, who in the story felt flaky and unreal. The writing was just as dramatic as the characters, the metaphors and so-called "beautiful words" coming off as forced and cheesy.

I'm not even sure if this deserves two stars.

### **Shay says**

More sexually charged than TMMM, but I was weirdly cool with it. The main character Cassandra is wonderful, but I couldn't help comparing her to Charlotte.

I still thoroughly enjoyed Sebastian and Cassandra's love story, but I wouldn't mind reading the story from Seb's point of view.

Note to author: Nickname to Sebastian is Bash not Seb.

The epilogue was so swoon worthy I almost died, but I still prefered Brand's epilogue better.
