A Tale of Two Cities: A Halloween Novella Alexandra Warren

When people think of a holiday for love, they automatically come up with Valentine's Day.
But who's to say that's the only one?

A trip to sin city for a Halloween-themed joint bachelor-bachelorette party is all it takes for Savannah and Lincoln to learn this the... not so hard way. ;)

A Tale of Two Cities Collection:
Cute & Sweet Millennial Meets Over a Holiday,
All With One Thing In Common; Cities.

Note: This is a short novella with a happy-for-now ending.
If you prefer your stories longer, I'd recommend checking out another Alexandra Warren project. :)

Short and Sweet

I like how Lincoln and Savannah was instantly attracted to each other. They say what happens in Vegas stays in Vegas but they're too attracted to each other for that to hold fact.

Happy Helloweeny!!!!

AW gone have to whip my butt for this late A review. Been bragging about it in another venue and I had not written my own. Tsk tsk. Well readers, this was another great story, short, sweet and super sexy. A quick read with a Halloween party backdrop... Nice! Don't be scurd!!!! Lol.

Short and sweet

Great quick read show casing how quickly love can find you. This author doesn't disappoint with this novella. That or I'm just super optimistic in love being found when you least expect it.

Lincoln and Savannah were super cute together! I loved that I had something to read for Halloween that wasn't scary! Rod had me cracking up the entire story and it was fun to see old characters pop up & be apart of this storyline. I like that Alexandra links the old books in the story with the character's name because I tend to forget about characters after awhile. I totally loved the scenes in the haunted houses!

This was such a fun read. Sometimes novellas come across as rushed and though this left me wanting more it didn't seem like we jumped to some ending that was not well paced or thought out.

I freaking love Rod. He can be immature at times but he is hilarious. When a woman finally knocks him off his feet, he's gonna fall hard.

Savannah had Lincoln sprung from jump. I like how they both were feeling each other.

They seem like such a cool bunch. I liked everyone's relationship. Even Savannah was cool with Russ. Everyone had me cracking up at times.

First of all, I want a big face pancake and mimosa! LOL!!!! This was such a fresh, delightful story! I loved Lincoln & Savannah's chemistry and the slow build to them actually getting together. This is a novella (which I love!) so the length doesn't lend itself to a grand HEA finale, but what Ms. Warren did was leave us with hope that these 2 would work their way in that direction. Sometimes the promise of a thing is enough! Quick read, but worth every minute! FIVE STARS!!!

Lincoln and Vanny hmmmmm

Great short story the fact she had a child in high school great co parenting too and still made it to be a business owner amazing !!! She was having fun great sex and winning money !! Yep that made this book that much better!!!

To The Point

I love how straight forward this book is. Two people meet, are attracted to each other, vibe well, get together. I like that they were both aware and honest up front!!!!

Short yet sweet and oh so good!!

This was everything a short story could give and more!! I needed that little pick me up. I loved how Savannah and Lincoln instantly clicked and took advantage of the trip. They found something even better than the amazing sex between them and didn't let it end neither!! Enjoyed every moment of this story!!

Vernell Howard says

Loved It!

Glad Lincoln and Savannah didn't let what happen in Vegas stay in Vegas but decided to explore their attraction to see if it could be more. Love the storyline from beginning to end. I wish there were more to read. Enjoyed this reading. ReneeG ?

OMG! This was the sweetest love story! It was fun and very entertaining. I just loved how Savannah and Lincoln basked in each other without caring what anyone thought. The entire time I was reading A Tale of Two Cities a warm feeling came over me and a smile was kept on my face. This was my first read by Alexandra Warren and I truly enjoyed it. I'm about to download An Unconventional Love right now!

Great novella

Dang that was a good and steamy short to read. I do want more of them In the future about their growing relationship. He needed her and she needed not to be in control all the time.
