Nur Wulan Nugrahani says

Alexa Veron, 16, Argentina. She is ready to face Nueva York as photographer interns in Flirt as brave as she ride Campo , her horse, in her homeland. She come up with ideas of fashion as competition - the battle of running, and fashion as te goal. Capturing photos from horse rider's side will be so much different in Central Park, icon of New York. Everything goes well, (even she met a boy from Adesso Café!) until Genevieve Bishop, a special intern due to her aunt, Josephine Bishop, interrupts in her way!

She meet many new things contradicts with herself, and she always reminds what her Mama said, "Be yourself", and her Papa said, "Keep a bird in your hand than hundreds of birds out there". She fights for what she believes, and she's gonna make it.

This book is full of surprise from Alexa Veron. Eventhough there are quite many typos.

Henny says

Buku kedua dari serial flirt. Tetap dengan bahasa yang lugas dan khas remaja

Cindy May says

nice little piece of harmless fluff, chicklit, though no real redeeming value in the world of fiction.
