Angelia Sparrow says

There are two and a half good stories in this. And one brilliant send-up of the genre. Unfortunately, that leaves two stories that are pure pornography with minimal plot, no character development and a lot of mechanics. And one story that would have been really good with about 1/3 of the sex.

Then again, it's an Ellora.

Paper quality on this edition is noticeably lower than previous anthologies and covers are thinner.

4 Stars! Night Owl Romance

Fable says

This was a solid anthology, some stories stood out more than others but on the whole a good group. Individual story reviews below:

Cherry Tart - 5 stars

I bought the anthology for this story and was definitely not disappointed. Unique, steampunk-ish setting, interesting and engaging writing style, kickass heroine and hot hero. Can't go wrong there!

“Ulysses, darling,” she whispered, “you don’t mind that I’m a round-heeled tart.”

“Nonsense. You’re my cherry tart. Ripe and oh-so sweet, you naughty girl.”

Climbing the Corporate Ladder without Panties - 3 stars

Pretty typical story, but enjoyable and had some hot love scenes.

Eight Seconds - 2 stars

This one did not do it for me at all. The story was trite and it read like a bad historical.

Pitch Black - 3.5 stars

Fun, suspenseful, and hot story. Would have loved to read a full-length novel to spend more time with these characters. It would have been a 4 or 5 star story were it more fleshed out.

Shifting Sides - 3 stars

Shifters stories aren't really my cup of tea, but this one was well written and sexy. Again, I would have liked a more expanded story to learn more about the world they lived in.

The Johnson Obsession - 4 stars

Overuse of the word "crotch" notwithstanding, this was a sweet and sexy little story. Vivian's stalker-ness was a little weird, but since it didn't bother Duke, I got over it quickly too.

Kelli Scott says

Hot hot hot reads.
