Kallie Young has finally succumbed to bad boy Hunter Reardon's advances. She's even gone so far as to sign a contract that gives him the right to do with her as he pleases.

But as it turns out, Hunter wants more still. And when Hunter's increasing demands interfere with her own personal responsibilities, Kallie will have to make difficult choices.

As her nights with Hunter grow hotter and more intimate, other problems surface. Hunter has a past that won't remain hidden forever, and Kallie is more and more determined to find answers--even if her contract specifically forbids her from doing so.

In the end, she will be left wondering if her latest revelation about Hunter's life is more than she can possibly bear.

I really don't understand why Kallie is still wanting to stay with Hunter.....

Yes he can be somewhat charming, but the good doesn't come close to how bad he makes Kallie feel. In this installment, he pushes his way into meeting her family and just shows his true colors! Ahhhhhh, I really want Kallie to kick him to the curb.

And what the heck is Red's mom up to now?

On to the next book I guess. One thing is for sure, the author sure is good at getting me sucked right into this crazy story!

Curiosamente acontece com este série o mesmo que na anterior entre o Red a a Nicole, o violência não está nas cenas de BDSM, mas sim na forma como o Hunter a trata.

Creio que muitas vezes, e nisso este livro reflecte a realidade, está-se tão preocupado com as marcas físicas que as psicológicas são relegadas para segundo plano, no entanto são essas as que ficam para sempre.

OMG!! I have never wanted the next book so badly! This book is ridiculous! I can't stand Hunter. He may be amazing in bed, however, he is a dick!!!! He treats Kallie like crap and she keeps taking it and coming back. Doesn't she realize if he really cared about her, he'd come after her and not be able to just let her go. I cannot believe that Kallie is okay with not being able to ask him ANYTHING about himself. Even Ana Steele wouldn't go for that. How naive is Kallie really? I don't like Danielle's character at all and Kallie asks Danielle for information about Hunter - really! There is this thing called the internet, research him and dig a little. Kallie recreated the contract from memory and yet didn't take this opportunity to change anything in it for her benefit. STUPID!!!!!! However, all that being said, I was blown away by the ending. Holy Shit! What is on that DVD from Red's CRAZY mom! I need to know. I SO hope it's BS, because I LOVE Red and Nicole together and if they split up I'll be pissed. I also need to know who the hell is that other woman Hunter was talking to. I CANNOT WAIT FOR THE NEXT BOOK TO COME OUT! I NEED ANSWERS

Great Series!!

This series was awesome. I couldn't put it down. I love multi-dimentional plots. This series had so much going on that I literally got lost in it in a great way.

At first I was thinking it is short, but after reading it & going right on to book 2 I didnt mind (I got book 1-9 at one time).So it was more like each book is a big chapter.

I have to say Im really glad I dont really take into count some people views as seeing some of them I was just shocked. Some people just need to go back to reading boring books.

I LOVED to whole series, yes at time I was mad, sad, worried, loved, hot, that is what books are meant to do make you feel and this series does that.

Im glad I read them and Im waiting for book 10 as it does really hook you into the story.

Another story following Kallie and Hunter and it was really good. I'm wondering what's the deal with Blue Horizon though. The family dinner was crazy I just knew Sean was going to go after him. Erica really out did herself in this one. Of course she shows up without making sure he wanted her over and it's another woman there. Let's see what he has up his sleeve now.

Bintang 4

Buku 8/16 seri For His Pleasure.

Kallie-Hunter resmimenjalin hubungan Sub-Dom. Bahkan Kallie membuat sendiri kontraknya berdasarkan ingatannya dari kontrak milik Hunter yg sempat disetujui Kallie dan dikoyak Kallie. Itu dilakukan Kallie saat Kallie menyadari perasannya pada Hunter (nih satu lagi cewek yg rela di Dominasi bahkan cenderung masokis berat).

Permintaan Hunter agar Kallie menemui Hunter dirumah Hunter bertepatan dengan janji temu Kallie dengan keluarga Kallie yg baru tiba di kota untuk merayakan pertunangan kakak lelaki Kallie, Sean. Kallie terpaksa berbohong untuk membatalkan janji makan malam dengan keluarganya. Mengetahui kalau seluruh keluarga Kallie sedang berkumpul untuk merayakan pertunangan, Hunter bertekad mendampingi Kallie dalam acara keluarga tersebut sebagai pasangan Kallie. Disela sela acara tersebut Kallie memergoki Hunter mengadakan pertemuan lain dengan seorang wanita cantik yg hampir mengakibatkan baku hantam Hunter dan Sean.

Kallie kembali dibuat kecewa dan sakit hati saat secara tak terduga janji temunya di rumah Hunter yg kemudian dibatalkan Hunter membuatnya memergoki kembali pertemuan Hunter dengan wanita cantik yg sama. Bahkan diketahui kemudian kalau si cantik bernama Scarlet itu menginap di rumah Hunter. APAKAH KALLIE AKAN MEMBATALKAN KONTRAK HUBUNGANNYA DENGAN HUNTER???

Disaat yg sama, Nicole juga menghadapi masalah dimana sang ibu mertua Erica yg sakit hati karena tidak diterima kehadirannya dalam rumah Nicole-Red mengirimkan sebuah rekaman yg menyangkut kehidupan masa lalu Red. Still wanting more from this series. Where is Book 9? Internet clamoring for more also. I did agree, this part was way too short. At least we deserved one more chapter. I realize that all our unanswered questions will lead to #9 being a best seller. I still think Kelly is a great writer. Now that we all are getting to hate Hunter, we want more and more! Glad to see Nicole and Red back..looking forward to more of their life also. Knowing Kelly's character development,maybe Hunter is going to redeem himself. ;)

WOW! This novel was filled with all sorts of drama. I kind of liked it. I think the guys in these novels are a lot fucked up though and not all guys who are into BDSM are like that at all. It's so stereotypical, if you like BDSM, you must be fucked in the head. Me no likey that.

Well all I can say is Kallie is one silly girl. She lets Hunter just walk all over the top of her. Just because he flashes her a cute grin and gives her some mind blowing sex does not make him a great guy. Wake up girl and realise you are just letting this guy treat you like a doormat. He texts and she goes running and then to show up and be sent off again with no explanations and knowing there is another woman in the house....who does that, just walks away. Hunter not giving away any personal details of his past is hard for Kallie but she just smiles and puts up with it.....Doormat!!!!

Definately would still prefer to be reading more about Nicole and Red. I wonder what Red's mother is up to and what is on that CD she sent. I hope it won't be anything that could break them up.

I'll keep reading though I really want to know what is going on with Nicole and Red and maybe just maybe we might find out what is so secretive about Hunter. Can he finally turn out to be a decent guy after all!!!

### **Sandie says**

Ok Hunter is working on my last nerve. He really needs somebody to treat him like he's treating Kallie! I can't wait for book #9 to come out though.

Just bad. Period. Poor writing. Poor editing. Storyline was all over the place! Thank the Lord I got the whole boxed set for .99 cents. I should have listened to the bad reviews, but then others claimed to love it! I don't get it. I like her characters fairly well, so it made me want to continue. Kind of like a car wreck, from which you can't peel your eyes away. I kept reading....Cheap imitation of so many good erotic novels.
