Ein Jahr gemeinsam mit Tyler und Lillie hat Marcus Feldmans Leben völlig verändert. Es hat ihn verändert. Doch obwohl er sich der Liebe seines Gefährtens sicher sein kann und die kleine Lillie ihn verehrt, quälen den erfolgreichen Geschäftsmann immer noch Zweifel. Er ist sich seiner Gefühle sicher und es gibt wohl nichts, das er für Lillie und Tyler nicht tun würde. Aber ist er genug? Kann er das sein, was Tyler braucht und auch verdient.

Marcus und Tyler waren immer schon meine Lieblinge in dieser Reihe, die längst abgeschlossen ist. Nach einem Jahr Beziehung scheinen sie angekommen und glücklich zu sein. Macht es Sinn, dass Marcus grübelt und zweifelt? Ich denke ja, denn er war doch vor Tyler wirklich sehr flatterhaft und auch unbeständig. Und mit Tyler hat er endlich seinen Frieden und sein Glück gefunden, das Marcus natürlich nicht verlieren möchte. Ich fand es wirklich sehr schön noch einmal zu Marcus und Tyler zurückzukommen und einen Blick auf ihre Beziehung werfen zu können.

What a delicious little holiday tale for Marcus and Tyler. It may be short but it's jam packed with emotion, sexiness, and family, all the things we've come to expect from Felice Stevens.

This is one of my favorite series of books and only stumbled onto this short by mistake after seeing a GR thread about it.

Marcus and Tyler get an alone night after Lille is having a sleepover with 10 of her friends away from home. It was good to reconnect with these 2 and a lovely ending. Just hoping therre might be another short, or maybe longer book with covers the wedding.

Very sweet, heartfelt holiday story. I haven't read any of the other books in the series that this one is a part of, so I didn't know any of the backstory between Marcus and Tyler but I didn't really feel too lost. But now I so want to go back and read all the other books to meet the all the guys!

A lot of emotion was packed into not a lot of pages and I really felt the turmoil Marcus was going through. I really enjoyed this short story!

What a lovely little holiday treat for lovers of the Breakfast Club and Marcus in particular. Marcus and Tyler haven't had much time together lately what with work and rehearsals and Lillie. Although neither is complaining - they're both really happy that things have worked out for them - it would be nice if there were more hours in the day so that they could see each other more. As the holidays and Lillie's birthday are approaching, Marcus is even a little more stressed out than usual. But there are plans afoot ;) It's nice to have Zach and Julian pop up in this story as well, but really this is about Tyler and Marcus and the relationship they have built over the past year and what it means for the future.

So adorable! I just love these two. Thanks Felice for this sweet and spicy story ;)

I really liked it having read all of the others.

It could have been longer to include the conversation between Austin and Tyler and also have included the wedding itself. 15 and 3/4 pages is just too short.

The Breakfast Club series is one of my favorites. I love these characters. It was awesome watching Marcus finally fall in love in Second to None. Tyler is his perfect mate. And Lillie is such a doll! This was the perfect holiday treat!
