Chandra says

spending almost entire life in pilgrimage Bhabani gets married to 3 brahmin sisters . He becomes father of a child. He starts loving nature n his little child....in this way he gets the realization...key to happiness....love is the direct way to god because the god loves all...rejecting his fear he starts to love the god through loving gods' creations. The story revolves in the small village in the bank of river Ichamati of pre independence era along other villagers n the officials of indigo farm.
