Coming soon! Change of Fortune by RaeAnne Thayne will be available Dec 18, 2017.

Family secrets and an abandoned child bring two opposites together in this Fortunes of Texas: Return to Red Rock story by New York Times bestselling author RaeAnne Thayne, originally published in 2009 as Fortune's Woman.

Only a family crisis could bring Ross Fortune back home to Red Rock, Texas. But clearing his sister of a murder charge is the roving P.I.'s only mission. Falling for the woman counseling his nephew is a complication he definitely doesn't need.

Though the sexy, off-limits Fortune was a challenge she couldn't resist, Julie Osterman can't afford to let her personal feelings cloud her professional judgment. But when an explosive secret threatens everyone's future, will she be willing to put it all on the line for the chance to be at Ross's side...forever

Mystery. Romance.

Teon says

Simple reading.

Ross is a private investigator and Julie is a grief counselor. They meet just as Ross's sister is found next to her dead husband's body. Obviously, it will be complicated to get to their HEA.

Part 2 in the Fortune's of Texas series. Like the first book in this series I Loved it. Ross is the private detective the family goes to, to try to figure out the mystery behind who is setting fires and sending notes threatening the family. More trouble comes when his brother in law is murdered and his own sister is arrested.

There is excitement and romance here. I highly recommend reading this series
