Daily Guideposts: 40 Devotions for Lent Guideposts

Experience the love of Christ in a new personal way with this Lenten devotional drawn from America's favorite devotional, Daily Guideposts.

Lent is a time of preparation for Easter when we reflect on Jesus's life and sacrifice. This year, renew your heart for the resurrection with Daily Guideposts: 40 Days of Lent. In just five minutes each day, you'll enjoy a Scripture verse, a personal story, and a prayer to help you apply the day's message. Join Karen Barber as she learns about the days leading up to his crucifixion and resurrection. Instead of giving something up, learn a new spiritual practice with Erin MacPherson who observes Lent by giving something away. With Eric Fellman, meet biblical men and women, believers, and seekers who were touched and changed by Jesus. Travel with Roberta Rogers as she follows Jesus through the streets of first-century Jerusalem in search of faith and hope for our lives today.

Join the community of over a million Daily Guideposts readers on this remarkable and deeply personal spiritual journey.

Timely and inspirational

Good writings. Diverse in daily thoughts. Just what I was looking for in a Lenten devotional. I would recommend Guideposts devotions and would read another devotional by their writers.

This was a great devotional, food for the soul I enjoyed it because it made me think, and gave me points of views that I may not have thought of. Anyone who wants a closer walk with God should read this.

This was a great devotional. It was food for the soul, I enjoyed it because it made me aware of things I had never thought of. It also made me dig deeper into the word.
