Deathless Discipline

Deathless Discipline Renee Rose

Although spankings top the list of Kate's favorite activities with her vampire husband Dom, they are usually the highly erotic foreplay to making mind-boggling love.

Not this time. Dom feels that he must lay down the law when Kate not only stays out much longer than she planned and doesn't answer his calls, but also lies to him about it. There's only one thing to do—give her a long, hard, bare-bottom discipline spanking that she will not soon forget.

Follow these characters from Renee Rose's full-length novel Deathless Love as their relationship continues to grow!

A bonus short story called "Mary Catherine Learns Her Lesson" is also included, which takes place at the No Return nightclub featured prominently in Deathless Love.

Publisher's Note: Deathless Discipline is a short story that includes both erotic and discipline spankings, graphic sexual scenes, and more. If such material offends you, please don't buy this book.

? BookAddict ↗ La Crimson Femme says

Kate is a naughty little girl. Late, not answering the phone and lying are all punishable offenses. She get a nice strapping to her ass which is as it should be. Well, as one would expect from a husband with the name Dom...

Cheesecake says

This is just a day on the HEA of Dom and Kate. Life with a new baby isn't easy, even when you are several hundred years old and 'have been around the block'. It's cute, and could serve as an extended epilogue to the first book.

Becca says

A short spanking story that follows Deathless Love, this book is very sweet. I haven't read the first book and it wasn't absolutely necessary, although I imagine it would make the story more enjoyable.

I also enjoyed the other short bonus story, Mary Catherine Learns Her Lesson, which includes characters from the Deathless books. It was a cute Halloween role play turned sexy story.

Cynthia says

This is a short story follow-up to [book:Deathless Love|15981008. It also includes another short and some teasers of the author's other work. This was a very nice short story but I wished I had read the main story first. It would have made more sense.

Denise says

4.5 stars for Dom and Kate. A nice follow-up to Deathless Love.

[Was the baby normal? I mean he was a Vampire, was the kid, half vampire? (hide spoiler)]

Lenna Wright-Berry says

Even though I didn't read the first story I liked this short story.

Tia says

It wasn't for me. Left too many questions in my head and was way too short for anything to be easily liked.

Tricia says

Not bad for a free book but I would not have paid for it.

SandyL says

Very short read. Wife pisses vampire husband off, he spanks her.

D says

A great short story continuing Dom and Kate's love story.

Also, I enjoyed the bonus short story, as well.

Betty says**Definitely need to read original story now!**

Great short story, already love all the characters and the chemistry between Kate & Dom! Always well done by Ms Renee Rose!

Stefanie says

Short but very well done. Makes one curious about the other book Deathless Love.

Angie says

I really enjoyed both short stories! I loved seeing Dom and Kate again and also Nanette and Frank from Kate's band. I enjoy this author and look forward to reading her books!!

Jillyn says

Kate's love for being spanked is no secret. But this time, it's far more than a turn on. She doesn't return her dominant vampire husband Dom's phone call, making him worried sick. He'll have to deliver a far worse punishment this time for her to learn her lesson, and to never lie to her Dom.

This novella is short, sexy, and to the point. It's a vampire BDSM/spanking story that uses characters from the author's other book, *Deathless Love*. When I downloaded this short story I had no idea that it was based off another book, but the heat factor of this made me add *Deathless Love* to my TBR list. This edition also includes a bonus short story called *Mary Catherine Learns Her Lesson*, an exhibitionist spanking story set on Halloween. I actually preferred this story, because it features priest/school girl role play.

Both of these stories are teasing glimpses into a bigger story, and if Renee Rose was trying to lure me into reading her other works, it definitely worked.

This is an erotica/adult book. If things concerning BDSM, spanking, or sex bother you, than this is NOT the book for you. However, if you like your Dom to be an Italian vampire, or have fantasies regarding priests, this short sample is worth a read.
