Love in Washington Chance Carter

A Quick Read to Leave you Breathless!

Welcome to the US naval base at Everett, Washington. A place where sailors come for well earned shore leave. Today, an officer named Bryon Barr steps ashore, but he's not here to party. He's here to pay his respects for a crew mate he lost a long time ago, a man he can't forget. When he meets a mysteriously beautiful girl, he starts to wonder if something mystical is going on. Has his old friend brought him here for a reason? Is he about to find the love, the passion, that he's been craving so long? Are you the girl he's been seeking, and will you surrender your body to his passion?

The American Boyfriend Series

Each week, I'm going to bring you a sinfully delicious new Book Boyfriend!

In the time it takes to read twenty pages, I promise to get you all worked up!

You become the saucy, feisty girl in each story. Feel what she feels. Taste what she tastes. Do *who* she does!

This series puts you in the heart of the action, in the heat of the moment, and in the arms of a man who knows exactly what to do with you!

Each story will take place in a different State. If you have any requests or ideas please message me on the Chance Carter Romance Facebook page. I'll be there every day to listen to you and take note of your wonderfully naughty suggestions.

From Reader Review Love in Washington for online ebook

Alice Streets says

Destiny Knows Us Better Sometimes

What a sweet and heartwarming story about two people who knew the same sailor and just happened to meet by chance.

Mary Winstead says

Love in Washington

Bryon and the crew have finally docked in Washington. While the other guys are off partying the only night they have, Bryon is going to have a little memorial for his best friend who died while serving named Erik. On the way to the memorial he sees a flower shop and goes in to pick some up. Only he sees you and wants to get to know you a little more. This story is short, but it was great. Now on to book 3 of this mini series

Sandy Lopez says

Jesus Chance, you couldn't get any hotter than that! Being married to a Navy Sailor once, this story was so Sexy. Bryon is one Great looking guy. I love a man in uniform. Had me breathing heavy throughout the whole read! ????????

Victoria Craig says

Fate

Two souls joined together by one. Fate. Destiny. Whatever you want to call it, this story is about two strangers drawn together by something seemingly bigger than themselves. A lost love , found love story. Seriously great read.

Tracey says

Oh my goodness, was this ever a quick, hot read! Written by Chance Carter, and set in the town of my birth with a Navy guy... oh yeah, it was a no brainer for me to read. And boy, did I ever enjoy it. But talk about leaving us hanging!

Marylene says

Beautiful Short story about two person who were meant to find each other ! If you love to read about soldiers then this one is for you!

Mina says

Fate Steps In

This story was not only HOT, but touching as well. It shows that life and love have an interesting way of working. Love isn't always a cookie cutter fairy tale and things don't always go as planned. However, love does have a funny way of showing up when you least expect it.

Can't wait for the next one!

Stephanie L says

I would have loved for this one to be a longer story!! I was not ready for it to end. Two broken souls finding one another. Without knowing that they are mourning the loss of the same person. Bryon is compelled to visit a florist shop to take flowers to a memorial for fallen soldiers where he meets a women he immediately has a connection with. Chance has again written this story so the reader can easily picture herself as the heroine.?

Donna Vitarelli says

Fate led Bryon to this flower shop but a burning desire healed two wounded hearts. Smoking hot attraction between our lead characters unfolds to a tender conclusion. Wonderfully written so reader can become the female character and experience the passion as it unfolds. ? Looking forward to the next instalment Chance Carter.

Danielle Borden says

WOW FATE

I enjoyed this American Boyfriend Washington

Carol Hepstall says

I so loved this book. Awesome writing from Chance Carter. So worth turning into a full length book. So full

of love, loss, passion, strength and new beginnings. Left me wanting more of the story

Laura says

Another fun, quick read from Chance in his 'Love in' series. This one explores the question of whether there's a greater force conspiring to make things happen, along with some sexytimes fun, of course. All in all, a recommended read, for sure.

Cindy finch says

Love in Washington

I totally wanted this story to go on a lot longer. It left me wanting more.....more of everything. To me it's a story of healing and Destiny. Loved itWay to go Chance. Can't wait till next Sunday!!!!!!

Alp says

Well, this book was way better than the first one. Honestly, it quite took me by surprise. The story was told in dual POV, which was good because it gave me more insight into the characters. What I found impressive about this short story is that it was filled with deep emotions. Both hero and heroine experienced the ups and downs of their lives. They had loved and then lost, but finally found the reason to live and to be happy again.

This novella contains some moments which were steamy as well as emotional at the same time. I wouldn't say it was a perfect story, but it definitely had so much potential. Anyway, there was no actual HEA at the end, but somehow, I just liked the way it ended.

By the way, this was a super fast read. Really did enjoy it!

Rebecca says

Fate steps in & left me wanting more of this story! My favorite so far ;)
