# **From Reader Review Managerial Accounting: Tools for Business Decision Making for online ebook**

## **Corina says**

I had fun in Accounting and was even considering in minoring or switching my concentration to that area of business, but then I reached managerial, and that was when I was slapped back into reality.

## **Joshua says**

Thank God that's over. I'll hopefully never have to pick up another accounting book again in my life. Hopefully.

## **Dorey says**

As good as it can be for a school book. I loved the online version. It had PowerPoint slides for each section that covered what that section would be about. Helped make the information easier to understand.
