Murfey's Law Bec Johnson

When Lori James' father writes to her for the first time in years her life is literally turned upside down. Inheriting a rundown general store 17,000 kilometres away in Australia, her plan of getting in, selling up, and getting back out again seems simple enough. But accusing the local Police Sergeant, maddeningly sexy Zeb Turner, of shop lifting on her first day in Murfey's Beach, Lori quickly discovers the implications of being on the wrong side of the law.

Moving on isn't going to be as easy a task as she first thought. Ironically, if Lori wants to get rid of the shop, she's going to have to fight to keep it first. Desperate to win over the colourfully eccentric locals who hold the keys to her freedom, Lori sets about breathing new life into the sleepy old community.

Temperatures rise and desire sizzles as the residents of the tiny seaside village experience their hottest summer romance in decades.

In all honesty, I am trying to wrap my head around the idea that not one of your books is published. This, your book I mean, is amazingly good. It doesn't disappoint in any aspect. It's amazingly written, it's smart and funny and emotional. When I first read it on Wattpad, my mind was blown. This, my friend, is worth publishing. This is a book I want to hold in my hands and keep on my shelves. And God knows there's a lot of crappy books out there that managed to get published, it belittles your work to even compare your books to those books so I am not gonna do it. Bottom line, your book is great and I hope it gets published in a more official way. Once more, I loved it !

I loved everything about this book: the characters, the plot and the style. The story has all I want to enjoy in this kind of books. The only problem was that it seemed too short. I hope Bec will write other stories.

Ofelia says

Loved it! Lori and Zeb make a nice couple! Loved the story and the ending!

Diane says

I really enjoyed this book. Colorful characters and twists and turns made it a great book to read and hard to put down.

Jeanne says

I loved this story so much... I am so sad it had to end! I want to read it again right now, that's how good it is. It's going on my slim shelf of ALL TIME FAVORITES.

AWESOMENESS!!!

Logo de primeira me pareceu uma leitura leve e divertida, ideal para estes dias de uma Primavera que teima em não se querer fazer notar por estes lados.

Lori é a personagem principal e é-nos apresentada desde logo como alguém a quem o pai recentemente faleceu, mas com o qual ela nunca teve grande relação. Aliás, a relação deles tinha sido cortada ainda era ela uma criança. É depois desta morte que Lori recebe uma carta, na qual é informada que o seu pai lhe deixou em herança uma loja em Murfey's Beach na Australia. Até aqui tudo bem. O plano dela era deslocar-se à Australia, vender a loja e regressar à sua vida normal, mas uma vez lá, as coisas mudam de figura, não só a venda tem algumas condicionantes que lhe impedem fazê-lo de imediato, como o facto de a sua estadia se prolongar a faz rever um pouco tudo aquilo que quer para si. Tudo isto conjugado com o encontro com Zeb, um sargento da policia "super sexy" (palavras da autora, não minhas ;p), fazem com que a sua vida se modifique.

A partir daqui o rumo da história é previsível, conquista, amor, dilemas. Contudo foi uma leitura deliciosa e fluida, viciante, difícil de largar. A história é simples e desenrola-se a um ritmo rápido e leve. Os personagens estão bem conseguidos, e desenvolvidos com personalidades realistas. Lori é uma mulher independente, que lida com o passado e que pensa ter tudo sob controlo, até que as suas prioridades dão uma volta de 180º graus. Zeb é um homem introvertido e um pouco rude, que aos poucos vamos conhecendo e até compreendendo, o que o torna irresistível, diria até. :D

Foi uma leitura super agradável, que me surpreendeu, por ser super divertida, conseguindo prender-me desde o primeiro instante. Docinha, docinha esta leitura. :D

This book is absolutely amazing!! It is difficult to put the book down once you've started! You will definitely fall in love with the characters and with this book! it is fun, full of love and very interesting scenario's. When I read a book once and I like it, then I will most definitely read it again... And in this case I will read Murfey's Law until I know every word by heart.

Kate says

Loved it!

You will fall in love with all the characters, especially Lori and Zeb. The writing style flows with a natural

rhythm and the storyline is never a stretch of the imagination.

Without giving any of the plot away, having personally envied (and lusted) other people's deserts, I especially loved the orphans Christmas!

Thank goodness I am still on my summer break and don't have to go back to work for a few more days as I pulled an all-nighter in order to finish this book as I just couldn't put it down.

I look forward to Ms Johnson's future books.

Shelly Pike says

Brilliant, loved everything about Murfeys Law the characters are just so lovable and the settings are unreal. If I could give it more stars I would.

Lilyan (Little Yams) says

This is so amazing *cries because it's over*

JacceB is so good at writing, it blows my mind. Get it published pleaseee :D
