One Tomb Short of a Graveyard Jason Krumbine

There's a fresh grave dug at the Fairfield Funeral Home and all it's missing is a tombstone.

For months Alex Cherdon has been on the receiving end of a helping hand from Jonathon Bragan. But Bragan's help has been nothing more than a careful manipulation of Alex. Bragan's reaching the part of his plan where it's time to make his true intentions known to Alex. Of course, when that happens, the price of Bragan's help is going to come due as well.

Devon Christian is on the edge of sanity. The voices in his head get louder every day. At some point, he's not going to be able to ignore those voices forever. And when he stops, there's only one person at the top of his hit list.

And to top it off, there's a Probability Engine loose in Clayton City. So the odds of everything going to Hell just increased dramatically.

This is it.

The big finale.

Everything's coming to a head.

—An Important Note—

This is the fifth book in what's considered the second volume of Alex Cherdon. If you haven't already, I strongly recommend you go back and start with Book 1, *One Time Only*, and work your way back to here.

I'm not kidding around. There's huge spoilers for the entire series in the recap page alone. Seriously, this is not the book to start this series with.

[Book 1 - One Time Only](#)

[Book 2 - Welcome to Crazytown](#)

[Book 3 - Odd Man Out](#)

[Book 4 - Full Moon, Half Wits](#)

And if you're really digging Alex, there's the first volume which takes place prior to *One Time Only*:

[Fruitbasket from Hell](#)

[A is for Amnesia, B is for Bullet](#)

[Little People, Big Crimes](#)

All three installments of Volume One have been collected for your convenience into one book:

[A Man By Any Other Name is Somebody Else Altogether](#)

All of these are available here on Amazon Kindle and I strongly encourage to check them out, if you haven't already.

Volume 3 of Alex Cherdon begins March 2014 with LUCKY DOGS.
