**Peter Reynolds Creatrilogy Box Set** Peter H. Reynolds

**Express yourself! The three best-selling, award-winning picture books in the Creatrilogy by Peter H. Reynolds celebrate the power of original thinking.**

Presented in a beautiful boxed set, this trio of hardcover titles includes:

*The Dot* An enchanting invitation to self-expression! Don't worry, just make a mark — and see where it takes you.

*Ish* A creative spirit learns that thinking "ishly" leads to a far more wonderful outcome than "getting it right."

*Sky Color* The sky's no limit in this gentle, playful tale — a reminder that if we open our eyes and look beyond the expected, inspiration will come.

## **Yolanda says**

LOVED all three of these books. The illustrations are also amazing.

---

## **Tian Wang says**

got this box set as a gift to a girl, no idea what she thinks of it, but somehow i hoped i read this when i was a child.

---

## **Lynne says**

Save yourself the time of seeking out all three titles individually and buy the box set!

---

## **Rob says**

Love this series. I use it in my elementary art classes and the students respond with enthusiasm.

---

## **Colleen says**

I absolutely love this set. I first encountered "The Dot" back when I was studying in university and fell absolutely in love with it to the point I scoured every single bookstore I could find for it. It wasn't until my friend in Canada was able to find this box set for me, and I love "Ish" and "Sky Colors" as much. I can't wait for the day my son can enjoy this book with me.

## **Paul Reynolds says**

This makes a WONDERFUL gift for a graduate or teacher - or anyone who needs creative inspiration to "make their mark".

---

## **Anita says**

Great to inspire creative thinking and that mistakes are ok.

---

**Kathi says****Best art books ever for children.**

Finally art books for kids that relay the message of art is in everything and art is what you want it to be. It's personal, it tells a story and comes from you. Great message for kids as they compare themselves to others.

**Yvette Booth says****Fabulous**

Loved , loved, loved. I will get a set for the my studio to share with all the young aspiring artist

---

**Trisha says**

Love this author and his books. Love to read them to my kids.

---

**Kirk says**

These books are a treasure for the creative mind! And not only for children, I fully intend to have them in my own collection. Having led several creativity workshops for adults, I find that these books address the major roadblocks to a creative life that most of us ran up against in childhood and never found a way to get around. Everything from believing in your unique creative vision to dealing with criticism. These books are something you'll want to read and revisit from time to time. Simple, yet powerful!
