Spy Games Gina Robinson
Sleepless In Seattle

Reilly Peterson's been many things in her thirty-two years: an athlete, a model, a sportswear executive. Her ex-boyfriend, however, has done a good job of making Reilly something she's never been—scared. Now Reilly's ready to protect herself with more than her sharp tongue. Fantasy Spy Camp's Seattle-based Urban Ops division will train her to survive using everything from her bare hands to a submachine gun. But when she gets an eyeful of fellow camper Van Keller, all Reilly wants is to chill out, partner up and go deep undercover...

"My Panties were in a bunch. Literally in a binch. Piled a' la mode on the overturned contents of my suitcase on the red and gold diamond-patterned carpet of my hotel room."

Fabulous book. Kept me laughing as Reilly nevigated her way through Spy camp. If you enjoy the Stephanie Plum novels by Janet Evanovich you will surely enjoy this adventure.

SF Library - 3-3.5 stars

I started reading this 3 weeks ago, but then got distracted with TV shows (Younger, Riverdale).

It was a bit slow at the beginning, but then it got better and I couldn't put it down. I read the majority of it during a plane ride (Denver to SF), and finished it today.

Reilly is a flirty, sometimes overly melodramatic but that adds to her charm. I liked the banter between her and some of the guys. You get drummed into your head that she is tall with double Ds.

Quick fun read. Was hoping for more of a spy element but misread the synopsis. Still a good read.

udah agak lama baca novel ini.

dan jujur, aku lebih suka buku spy yang sebelumnya (spy candy)
gak tau kenapa lebih deg2an dan seru aja.

di sini diceritain kalau reilly lagi menjauhkan diri dari mantan pacarnya yang berhasil membuat dia ketakutan. jadi dia butuh perlindungan gitu, dia harus bisa melindungi dirinya sendiri. nah untuk itu dia pergi ke perkemahan mata2, ikut pelatihan di sana. dan ternyata cuma dia sendiri yang cewek, sedangkan teman2 satu perkemahannya pada cowok semua. nah di situlah ia ketemu ama van, salah satu yang ikut perkemahan juga. mulai deh mereka saling tertarik gitu.

tapi reilly gak selamanya bisa bebas bersenang2 di perkemahan itu, soalnya muncul beberapa kejadian yang mengerikan di sekitarnya, dan dia takut kalau itu adalah perbuatan mantannya. apalagi yang didengarnya, mantannya itu udah berhasil keluar dari penjara

Novel yg ini berbeda dengan yg sebelumnya, kalo novel sebelumnya semua personel diberikan penyamaran dari awal&tdk boleh membocorkan identitasnya kepada siapapun tetapi novel yg ini malah tidak ada penyamaran sama sekali cuma peserta hanya dipanggil dengan huruf awal pada nama panggilannya spt Reilly jadi "R" atau Van Keller jadi "V" dan pelatih kampnya juga berbeda dengan novel sebelumnya, gw pikir bakal sama jadinya agak2 gimana gitu baca novel ini.

Ceritanya ga terlalu seru juga&kebanyakan soal Reilly tepe2 ke peserta2 yg ikut dibagian awal cerita, lalu beberapa kali jadi korban kekerasan krn heroine mengetahui tempat persembunyian fdisk yg menjadi incaran para peserta kamp ini. Selain menghadapi tingkah laku peserta lain yang sibuk mencari fdisk tsb, heroinenya juga mesti waspada dengan mantan pacar yang suka melakukan penyiksaan fisik terhadap dirinya.

Yah,selanjutnya bisa dibaca sendiri yak:-)

Happy reading guys

Cute, fun and quick! Snappy dialog reminiscent of Janet Evanovich. A delightfully light read for those days

when you need a little humor, romance and suspense. Left me grinning and happy (much like after reading a Stephanie Plum novel...which is high praise indeed).

Suzie Quint says

A light-hearted romantic romp at spy camp. I think I'll have to work my way through Gina Robinson's backlist.
