Natalia Soldevila says

Ohhhhhhhhhh

Niels says

Some days have past and everyone is geared up for war. They're all ready to take on Negan. I was happy to see Rick & Andrea together and that Rick said that he wasn't 100% sure. Andrea understands, she's the great woman behind him. I was also quite pleased that Michonne & Ezekiel slept together. When they showed up at Negan's place, it was so lame that the guy from the Hillyop was there to tell everyone they weren't welcome anymore. He was clearly just supposed to say that and I hope nobody is going to listen to him.

RJ says

And so it begins

Nicolás Fanjul Arguijo says

The showdown face to face was pretty cool. A bit risky though...

Dionisia says

Is it November 13th yet??! The suspense is excruciating. I feel as if this is either going to go terribly or terribly, terribly wrong. That fucker needs to *die*. I know, I know. That's a horrible thing to wish upon someone...even if it is a fictional evil bastard. Nonetheless, the basest part of myself wishes it so.

John says

Great! I can't say enough good things about this comic. Great characters and wonderful story telling.

Sean says

gregory, you fucking beta male

Michal Baláž says

I have no idea how to review a single issue, since it rarely has too much going on and it always builds up another layer of excitement for the final issue of each volume. 4 *, I guess?

Guy says

FUCK NEGAN!

Jakk Makk says

[Like standing in a giant machine gunnable line and telling the villain you're going to storm his castle. (hide spoiler)]

Eric Hartman says

Like many fans, I am honestly getting SICK of this storyline. Can we finally end Negan and move out into the world? I'd like to know what's going on with european zombies...

Vikas says

War I just love The Walking Dead series. I just love The Walking Dead series. I just love The Walking Dead series.

Kristi Swadley says

Kirkman is milking the Negan storyline, but it seems like the shit will hit the fan in the next issue. I hope so, anyway.

Jess says

argh, this 12 issue story line is going to be the death of me i can feel it.

Laina says

I like Rick and Andrea's conversation, and I'm glad that Rick can talk to her about anything and she won't judge him. It's good for Rick to know that he doesn't have to shoulder everything on his own.

I'm glad that Andrea's there to calm Rick and able to help him see that he's good for her and their people. I'm also glad that she tells Rick that whatever happens in this war, it'll be worth it, as long as they get Negan.

Michonne and Ezekiel make each other seem normal. They're both a bit off but that's okay as they understand that about each other. Also, there would be no way in hell that Tiger would be inside the gates and in my house if I were Michonne. Hell no.

Oh gross, that Shiva, Ezekiel's tiger, shit in Michonne's tub. That's just nasty, though thankfully he cleaned it up. Although, I don't know if I agree with Michonne about not wanting to know. I think I would want to know, so I could clean the tub some more.

Well, I'm glad that Ezekiel's fighters have arrived. Now we just need the people from the Hiltop community to arrive, and then for Rick and all of them to go over the plans to bring down Negan.

So, are they talking about cases of bullets? Or are they talking about something else? I can't see what's in the boxes, though why would Rick be talking to Eugene about something else? o I guess it only makes sense that Eugene and some others have made bullets.

I'm glad that all three communities are getting ready to go to war with Negan and the Savior's. I just hope that everything goes well for Rick and their allies, and that Negan and his men get their asses handed to them.

I liked Rick's speech. I'm starting to like all of them, actually. He's good at encouraging others and making them feel like they can do anything they put their minds too. I just hope things go well.

I feel like Rick and Andrea were telling Carl that he's in charge, just so he doesn't get mad at being left behind to help defend Alexandria. But I wouldn't want him going either, it's way too dangerous.

I'm glad that Rick, Jesus and Ezekiel talked about being as prepared as possible for snipers because now that they know Negan and his people have guns, they should expect to be shot at.

HELL YES! Look at Rick, Ezekiel, Jesus and their army. I really hope that they kick Negan and his people's asses. I'm just worried about who on Rick's side between his group and his allies, who's going to die.

I can't tell if Negan's annoyed or amused when he said, "You've gotta be fucking kidding me." I like that Rick gave Negan a chance to surrender, though I highly doubt Negan will go and do it.

I also like that Rick said that if Negan surrendered, the people in his community that haven't hurt or killed anyone, would be okay and able to continue on with their lives as they are.

Man, Negan's ego is just SO fucking annoying, it makes me want to punch him. Sure, he and his men know how to fight and fight dirty, but gun's are more dangerous than hand to hand fighting, I'm pretty sure.

Gregory's a fucking idiot. I know that he's a weak old man and a coward, but he needs to get some balls and man the fuck up. I can't believe that he would be so stupid to throw out anyone who stood up to Negan. It's not like it matters, anyway. Negan's gonna kill Gregory. Or at least I hope he does.
