Billy and Blaze are back in another exciting tale of their adventures. This time they're showing their friends Tommy and Dusty how to be as great a team as they are. Tommy and Dusty are eager learners, for they know that Billy and Blaze are the best teachers anybody (or any pony) could ever ask for.

Soon, Tommy and Dusty are good enough to enter the pairs jumping class with Billy and Blaze. Now they can show everyone just how much they've learned!

Blaze Shows the Way is part of the classic Billy and Blaze series. Thoughtful drawings and easy-to-read text capture the warmth and understanding shared by a boy and his horse.

Teri says

Dusty is a little reluctant to jump until a storm approaches, and he jumps right along with Blaze. Uplifting story as even a horse is able to overcome fear. Maybe a bigger fear causes him to jump. It will be a fun book to discuss about doing hard things.

Zinger says

I started reading this to my 2 year old and all the other kids gathered around to hear the story. All of Anderson's Billy and Blaze books are great reading for young children.

Jodi says

Awesome series that I found at the school library today. I had no idea that these even existed. I took them home to see if son would like and he loves them. I brought home 8 and he has read 5 so far tonight! He says they remind him of magic tree house but shorter. They are all about a boy and his horse Blaze. This one Billy is lost in the woods and Blaze helps him get home before the storm.

Yet again, an installment of the *Billy and Blaze* series made everyone in the family happy. Another sweet story beautifully drawn. I wish I'd ridden a horse as a child, dammit.

Recommended by FarmhouseSchoolhouse.com. Total favorite for my boys. It's difficult to find library copies of the other books in the series - even through ILL or consortium use. Will have to put this series on the boys' Christmas list.
