# **From Reader Review Clifford's Good Deeds for online ebook**

## **Alyssa Ricard says**

Poor Clifford tries to do a few good deeds and because he's Big Clifford, they don't quite work out that well. An old favorite. I will always adore the Clifford stories and illustrations.

---

## **Barbara says**

Emily Elizabeth and her faithful big red dog, Clifford, decide to help her friend Tim, a boy scout, do good deeds for those around them. But because he is such an enormous dog, everything Clifford does ends up going wrong. But Clifford uses his size to his advantage when he puts out a house fire and rescues two children. Naturally, he deserves the citation he receives. Who wouldn't love a dog like this or relate to his heroism? It's pretty amazing that these books have been around since the 1970s.

---

## **Brenda Kahn says**

This re-issued classic is indeed vintage as the pages look yellowed. Pleasant and humorous tale of the big red dog's attempts at doing good deeds.

---

## **Courtney says**

I love reading novels to my children, especially when they are ones that promote more reading to my kids, because they relate to something that they already know and enjoy- like a popular kid's TV show. However, I have found that the older my son gets, the more he's beginning to realize when they just don't make sense.

The ending in each of these Clifford stories were abrupt and sudden, and some of the things that Emily E. and Clifford were doing just didn't make sense (like playing with bear cub?). When my five year-old and point out to me that that was dangerous, I know that something just doesn't add up the way I expected it too. I love the show, they are thought out and well done; however, I felt like a few pages had been taken out each of the stories so they were all incomplete.

---

## **Ann Santori says**

Love the original, two-color artwork and the story is sweet and silly, just like any good Clifford book.

---

## **Amanda Hughes says**

As a child, I loved reading about Clifford. At age 19..I discovered that I still do! This story has a great lesson about helping others and doing the right thing, even when nobody is watching. Children will love this short, funny story about Clifford and his adventure.

---

### **SaraKat says**

I love Clifford. In this installment, he tries his best to do good deeds, but he keeps messing it up somehow. This book was on my school's pillars of character reading list for 'citizenship'.

---

### **Maudie says**

Genre: Modern Fantasy

Grade:1-3

This book is a great read it has real meaning to what it means to try and never give up no matter if you fail or succeed. I love how Clifford did not give up helping people even though every time he helped it went wrong until he found a good deed that only he could help with at that moment. Loved his spirit and how he enjoyed helping others that is something all students should learn.

---

### **Jovan Trujillo says**

I'm glad Clifford isn't perfect, and this book shows that despite that he's still a great character.

---

### **Kate Sanders says**

I like this book because it shows that no matter what size you are, you can help those in need. Children would find this book funny because of Clifford's size and how things keep going wrong for him.

---

### **Mira P says**

In "Clifford's Good Deeds", Clifford goes around the neighborhood with Emily and her friend on his back. And they help everybody who needs help. It made me feel happy.

---

### **Donna Mork says**

Clifford tries to do good deeds, but messes up a lot of them because he's so big. Finally, he finds a good deed that really helps and gets an award.

---

**Scott Middleton says**

Dear Readers Around the World,

Do you like funny books? Then you can read “Clifford’s Good Deeds.” At the beginning he rakes the leaves for Nanne but sneezes and the leaves flew off. Then he tries to do many good deeds.

The author’s message is you can do lots of good things and you will feel well. I would give the book 5 stars because everyone can be a HERO.

Ian

---

**Chris Schaben says**

I found this one pretty funny! Poor Clifford tries helping people, but he ends up only making matters worse to hilarious results.

---

**Pamela Powell says**

Clifford is trying to be helpful, but some of his good deeds cause more problems. A good book for reinforcing trying to be helpful but also persevering for the younger set.

---
