### **Faye says**

lots of procedure in return demonstrations can be found here and also it helps in rationalizing and to develop your nursing skills. you could use this throughout your nursing education.

---

### **Michelle says**

nice book!!

---

### **Janel says**

i need to read this book because i am a nursing student.

---

### **Georgiana Leung says**

i need to reading this book for my reference .

---

### **Pearl Angeli says**

This textbook helped me a lot in passing my board exam. Thank you, Kozier! :)

---

### **Bea says**

For university. Quite a well-written, well-formatted textbook.

---

### **Kimmah says**

I really like the layout of this textbook. It is easy to understand with a lot of tables, diagrams, and how-to's.

---

### **Michelle Gay says**

This book teaches the nursing skills a nursing student must have..
