Anne says

Oh no! Goblins at the carnival!

Cecelia says

Jack Frost and his goblins are making big winds to blow away all the carnival hats. There is a crown, the carnival master's hat, and the bandleader's hat. Without the hats, the carnival won't be fun anymore. The band won't be able to play right, the rides won't work, and there will be no happy ending. Kylie, Rachel, and Kristy have to find them before the carnival ends. There are only 3 days of the carnival, one day to find each hat.

aftertherévolution says

"I didn't like Jack frost and the goblins but I liked that the girls and the fairy got all the hats"

Ckolleen says

I did like that this was a longer book, since it is a Special Edition book. I think the part I liked most, was when the gobins were in the House of Mirrors.

Callie Stillion says

All of the special items for carnivals are missing! If the three hats are not back, the carnival will not be fun, the music will not be pretty, and, the WORST, the Sunnydays Carnival can't move onto the next town! Kylie and Rachel, along with Kirsty, are able to get the hats back, but there are the normal ups and downs, twists and turns, but it's OK in the end, because even though the last one involves a troublesome Jack Frost adventure, the carnival may now move on to the next town!

Connie Mitchell says

These books are horrible. My 6 year-old-granddaughter seemed to enjoy a few of them and then seemed to get bored with them. I read one of the series aloud to her and was immediately on the search for better choices. The stories were repetitive, just changing the problem. My main objection was the villain, Jack Frost, and his goblins. Worst part - the drawings! I am a mother, granddaughter, and retired teacher, and I have read a lot of mediocre books for young readers, but stay away from these.

Olivia says

It was pretty good. I recommend to 2nd graders to 4th graders, but bigger kids might like it also.

(My overall review for the rainbow magic series)

These books were so magical to me as a child. They really got me into reading and I was so addicted. They helped me learn the colours of the rainbow and entertained me for several years. The books aren't very good. I've tried reading them again because I was interested in what I saw in them. The books are very similar and repetitive but to child version of me, they were completely perfect!

Dolly says

This is a fun three stories-in-one book about a carnival fairy. It's part of the Rainbow Magic series by the group of authors who go by the name Daisy Meadows. It's a fun series, especially for young girls who are starting to read chapter books. Our oldest is addicted and will often read several of these stories in one day! This is an entertaining story, broken up into three separate "books" and young girls will love it.

I have read so many of these books that I must admit I've become immune to their silliness. I love that I can read them after she does and discuss the plots and her thoughts about the story and about what will happen next in the series. We will certainly read more of these books as long as they are still being written. I will always be thankful that this is one series that helped her to develop a love for reading!

Kylee Carlson says

I liked this book because my name is Kylee.

I learn to help

Reagan says

Jack Frost is at it again! He and his goblins are always causing trouble. This time they've stolen three magic hats that make Wetherbury's summer carnival so much fun. If Kylie the carnival fairy doesn't get them back

soon the carnival will be ruined! Rachel and Kristy cant let that happen. But will they find the hats in time or will this year's big carnival be a big flop? I like this book alot because the goblins are so funny and mostly in this story.

Kristen says

Read Aloud. 3 books in 1. My daughter enjoyed it. She can't get enough of these fairy books.

\$hanel says

Of coarse Jack Frost is up to no good again! This time he has stolen 3 magical hats from Kylie the carnival fairy. A big carnival has taken place in Wetherbury and Rachel and Kirsty will be attending the event. When Kylie shows up Rachel and Kirsty know that they are going to have another magical fairy adventure!

Rebecca says

Its about two girls who go to a carnival. The girls see kylie the carnival fairy. The fairy needs help because jack frost steals 3 hats and if they dont get them back the carnival wont be as much fun and it cant move on to the nexts city!
