## **Vicious** Brandon Massey

A riveting novel of suspense from the award-winning author of Dark Corner and The Other Brother . . .

The night is full of wild things...

When Kym Phillips embarks on a road trip from Atlanta to Los Angeles to take her younger sister to college, she's anticipating an opportunity to bond with her sister and a chance to see the country. And as an accomplished, single professional with her thirtieth birthday only a week away and no marriage prospects in sight, Kym is looking forward to some quiet time to reflect on the frustrating course of her love life.

Waiting for them...

He roams the lonely highways and barren canyons of the Southwest. Leader of a pack of vicious minions, he hunts the night for travelers far from home... for prey.

Deep into their journey, Kym realizes that someone is following them. Someone with an uncanny predator's instinct. Someone with a sick hunger for blood. Someone who, no matter what they do to escape, is utterly relentless...

Explosive, lightning-paced, and impossible to put down, this is Brandon Massey at his thrilling best.

## **From Reader Review Vicious for online ebook**

### **Dee Cherry says**

Fast paced story as Kym found herself caught up in a horrific situation. Storyline kept me reading although I wasn't expecting that ending. Good read

---

### **Pia Veleno says**

Overall, it was okay. I couldn't get attached to the main character, and part of that might have been my own fault. I did not like the way the heroine was portrayed, nor did I like her sister. I tend to be picky about female characters, and these two didn't pass muster for me.

Without spoiling anything, the resolution was good, and I think I could've enjoyed the story if the girls were... different.

---

### **Ketty says**

Started out so well, fast-paced and you're immediately introduced to the principal players and then goes off track from there. I gave it three stars because I devoured it and even when I found myself groaning at some of the more fantastical parts, I still wanted to keep reading. The ending came far too soon and what tension the author managed to maintain was lost in an unbelievable conclusion that lasted all of three pages. At times I felt like I was reading a supernatural book written by Tyler Perry.

---

### **Charisse Trotman says**

The story was very suspenseful and kept me reading, but the ending was so anticlimactic. I really would have liked some sort of explanation for how the villain came to be

---

### **Luvtoread says**

I had high hopes for this book but unfortunately it did not live up to my expectations. I must admit it was entertaining but not in a realistic style. Some of the verbal jargon was over the top (imo) and made the characters unlikable in many aspects of their personalities and their interaction with others. The ending was a little strange and weak considering the perilous journey that the story was based upon. This was not a terrible book but not a great book either, so I have given this book a rating of 3 ??? stars!!

---

**Felicia G. says**

TRASH!!!!

Which is uncommon for Massey!

That's all I got to say!

---

**Valerie says**

It's a book club pick for October. So far it's ridiculous. Hoping that it ends better than it started.

---

**Yolanda says**

Loved this book until the end. Regardless, I will continue to support Brandon Massey!

---

**Tyra Hilliard says**

It was okay. I did not like the ending!!
