Baby Sugar

Celia Fay

Baby Sugar Celia Fay

Naked, bound, shaking in frustration and aching in desperate need for Aden's touch, I can only watch Kai go on to enjoy everything that I could have had.

Enter the world of Crystal Meyers.

The only thing interesting in her boring life is Kai—her best friend and a gay pole dancer. Things become a bit too interesting when thugs chasing after Kai kidnap both of them.

She wakes up in a dark room, arms bound behind her back. And in front of her is a dangerously sexy man, waiting for her.

Get ready for a roller-coaster ride. Because that man has some naughty things in mind and is not going to let Crystal catch a break.

This is a very sexy short read with no cliffhangers.

Your, as well as Crystal's, joy is guaranteed!

Tippit says

Saywhatnowhunh?

I can't get that 15 minutes back, can I?

Ronda Thayer says

This was an OK book. I felt it was missing a lot. Maybe if it was longer. Needed more character development I think.

Jennifer Holzapfel says

Erotica with kidnapping and forced slavery, or is it? continued in book 3.

Chickenlips422 says

I got this short story as an advanced reader. I had met the characters in the earlier book, Spicy Math. They were better developed in this book and I look forward to reading more about Crystal and Kai.

Faye says

Couldn't get past the 30% mark on my kindle. Sorry, just not a well put together story.

The Celtic Rebel (Richard) says

This was my 2nd novella in the Crystal Joy series. Although it was erotic and interesting in some parts, overall it was not nearly as good as the first book in the series. I didn't feel like I got to know any more about who Crystal or Kai were than I did in the first book. It just seemed confusing at times. I will be anxious to see if the writer fills in some of the gaps in these characters lives in the next novella. This one too me was just way too short for all the author had going on in this story.

melody rainbow says

Great book

Love the characters. The sex scenes wow
