## Bleach, Volume 14 Tite Kubo

White Tower Rocks

Ichigo and Yoruichi race to save Ichigo's friends from Rukia's cold-blooded brother, Byakuya Kukichi. They arrive to find Ganju in tatters, and Rukia with him. Ichigo is bent on defeating her brother this time, but he is nowhere near prepared. Can he learn decades' worth of skill in just a matter of days?

## Elias Alexander says

That fight scene.  
That ending  
?

---

## Gio C says

Good Stuff again. Ichigo reaches Kuchiki....kind of. Ishida gets into an encounter with the 12th Division commander. This is the start of their battle. You meet all types of new characters. Good Read look forward to the next installment

I like volume fourteen for its introduction to the Captain of the sixth court guard company and Rukia's older brother, Byakuya Kuchiki, who because of his own sense of justice and duty is willing to let his younger sister die. Who we are led to believe is the strongest captain in the soul society.

Ichigo akhirnya bertemu dengan Rukia.

Kurotsuchi taicho memang menjijikan kok.

### **Nikki Sojkowski says**

There were some interesting plot twists in the volume! Mr. Yoruichi, the cat, not actually being a cat was surprising and extremely interesting. Uryû battle was pretty intense as well. I'm looking forward to see who this all works out for him :)

### **Krista Ivy says**

Ichigo must continue to fight his way up. Rukia has been thrown back into her cell after they got her out b/c Ichigo must go into training. He has three days to train for the level of strength that should take years to acquire.

Meh... on the one hand, this volume has lots of Byakuya, whom I like even when he's being a big old conflicted jerk. On the other hand, it has lots of Mayuri, who I do not like, because he is a demented psycho. He's totally disgusting and gives me the shivers whenever he's on screen, but I think he was toned down after this first battle. I mean, he's nowhere near as bad anywhere else as he is here, talking about making people burn their children, and digging holes in their skulls, then taunting Ishida with a photo of his grandfather after torture. Jesus.

I know it was just filler in the anime, but I find it interesting that in the arc about the Kasumi-Ooji family, the newly appointed third seat of the third squad complains that he couldn't get anywhere in the ranks of the

gotei 13 because he didn't care enough about his fellow shinigami to protect them from death. Yet, in this volume we see a man who has risen to the rank of Captain who cares so little about his subordinates that he will throw their lives away without a care. I doubt his research and scientific abilities are really that great that Soul Society can afford to overlook the fact that he is a TOTAL PSYCHO.

Oh, we also learn about Yoruichi's true form here, and that she and Byakuya like(d) to play tag. Whee!

### **Glaiza Champion says**

Bleach continues to get more and more intense with each volume. I do wonder what will be the fallout of all of this would be. Will Ichigo become an actual soul reaper? Will it ever just go back to fighting Hollows?

I truly enjoy this series. The action and characters are engaging, and the scope of the story is exponential. It is a great and fast-paced read.

I am a little bored with the "fight-get hurt-recover-fight again but stronger" scheme, but I still enjoy the series!
