Clamp School Paranormal Investigators 2 CLAMP (Illustrator) , Tomiyuki Matsumoto

After solving the haunted tree mystery and uncovering the scoop on the killer ice cream, the Paranormal Investigators part ways only to stumble into more mischief and mayhem. During the first annual Clamp School treasure hunt, Mifuyu and Rion discover a long-lost machine with the power to trap souls...while Takayuki finds himself caught in a never-ending space-time continuum loop! With the clock ticking, there's no telling what will happen to the Paranormal fab five. So buckle up and enjoy the ride, over and over again!

Liza says

A book that suffered the same problems as the first.

The breakup between sections was strange(although not as bad as book 1). The characters were meh and I wasn't invested in them or the stories.
