Revenge of the Dragon Lady John M. Bushby

In 1938, the tropical waters of the South China Sea and its myriad of islands are unknown to most Americans. All the while Tokyo's militarists are working on how to seize those isolated atolls from which to launch their nation's aggression against the American-held Philippines.

Reports of clandestine naval activity in those waters have reached Washington and US Navy flier Jack French is sent to the islands to investigate. From the moment he steps aboard the China Clipper bound for Manila he is thrust into a world of danger and intrigue. Who is more dangerous to him; traitors, Japanese spies, German agents or the elusive Dragon Lady, the queen of Philippine crime?

Long before Pearl Harbor, French is engaged in battle as he searches from island to island to uncover a conspiracy intended to bring war to this tropical paradise.

John Bushby says

Great adventure across the Pacific in the days leading up to the Second World War. Naval aviator Jack French is the latest in a series of Americans fighting the tyranny of fascism.
