From Reader Review The World Book Encyclopedia for online ebook

Andie says

This was our encyclopedia set growing up. We had the 1968 edition set. Loved looking up whatever I became interested in.

Neptunalia says

This is a great encyclopedia and is quite useful for all ages -- even adults. The only reason I gave 4 stars instead of 5 is because World Book uses apostrophes to pluralize years, e.g. "1970's" instead of "1970s." Gah!

Ellen Niehoff says

World Book, Inc. (2008). The world book encyclopedia Chicago: World Book.

Ellen Niehoff

Call number: AE5 .W55 2008

This is a twenty-two volume set of encyclopedias that includes not only information but also a guide on research skills and better writing.

This book fills in a big information need in the library and with the guides on research skills and writing skills, it will definitely help out lower level learners and ESL students.

Tonya Saylor says

Word Book Encyclopedia 2016. (2015). Chicago: World Book, Incorporated.

Citation by: Tonya Saylor

Type of Reference: Encyclopedia

Call Number: Ref 031.02

ISBN: 978-0-7166-0116-6

Content/Scope: A 22-volume set of illustrated general encyclopedias ranging from A-Z for students of all

ages. This set includes sections on using World Book, in addition to other research aids, a pronunciation key, a student guide to better writing, speaking, and research skills, and comprehensive index.

Accuracy/Authority/Bias: World Book is a global publishing company known for its educational materials, specifically encyclopedias. These encyclopedias were created in collaboration with expert contributors, editors, researchers, and advisers to ensure the material is easy to read and accurate.

Arrangement/Presentation: Arrangement is alphabetical. It also includes more than 25,000 photographs, illustrations, and maps designed to keep the attention of even the youngest reader. This newest edition also has QR codes which link readers with related videos and additional content.

Relation to other works: There are various encyclopedias available; this comprehensive set meets the needs of students of all grade and ability levels

Accessibility/Diversity: The illustrations include a diverse population which will be of specific interest to students who are visual learners.

Cost: \$1099.00
