When Shall the Butterfly Rest

James Spruell

When Shall the Butterfly Rest James Spruell

When Shall the Butterfly Rest is a collection of beautifully written poetry that explores the many facets of life. The emotions of a lifetime are captured in short, distinct poems filled with imagination and imagery.

The poems flowed at times as if from an unknown hand, while at others had to be hammered and chiseled out to find their form. The poems form a puzzle to fit together, enjoy, and ponder. Thought provoking, funny, or maybe just romantic.

The book is a composite of 95+ poems from Creating an Extraordinary Life: the Poet's Heart plus many new poems. The poems have been organized into chapters for the reader to enjoy and ponder. Thought provoking, funny, or maybe just romantic, read on and explore When Shall the Butterfly Rest...

Sinclair Duncan-Mercer says

So colorful, just like a butterfly

This book has a poem for ever season and a poem ever ever mood one may be feeling. Reading this felt like being wrapped up in a cozy blanket with a nice cup of tea!

KarnagesMistress says

This book will also satisfy the 2019 Watauga County Public Library Reading Challenge categories: A Book By An Author You've Never Heard of Before; A Book With a Cover You Love. I received this book for free through Goodreads Giveaways.

Roxanne says

This is a Goodreads win review. This is a poetry book broken up by seasons. I enjoyed it.

Ann-Marie says

I tried to find something nice to say about the poetry in this book. Then, for a while, I gave up and toyed with giving it a snarky, one line, scathing review, evoking the ghost of Rod McKuen, but it isn't bad enough for that. It is just flowery, formulaic, light poetry.

There's really nothing to sink your teeth into.

I am a poet. Poets do suffer for their art. If Spuell suffers, he is not willing to share it with us.

I received this book free in exchange for an honest review.
