Bedtime Stories for Kids by Uncle Amon

Goodreads Rating: 4

Age Group: Early readers (4-8)

This book contains five short stories written by Uncle Amon. I have grown to like his little stories! I wouldn't mind owning physical copies of books for my library :).

When reviewing a children's book, it is important to read it from a child's perspective. It needs to be in language and verbiage that they understand. I think that for the target audience Uncle Amon is reaching for, he meets that need. I do have to admit, as cute as this book was, I did enjoy Happy Monsters better! I thought the stories were cute and fun, however, felt they could have been a little more exciting.

Cute but typos

The stories are cute enough but are too gender determinant. There were some typos in the e-book. I would not pay for it.

This book holds true to its title as it is perfect for a children's bedtime book. My son loves this book and he chooses this one often. I enjoy reading him the wholesome stories that offer intriguing tales with sincere messages in them. I would give this book more stars if I could! Excellent Quality.

Fun book

I read this book to Jemima. She chose it because she liked the picture on the front cover. She really enjoyed the stories but wanted them to have a proper ending. The positive about the way the stories ended was that children with a good Imagination could make up a continuation and ending to the stories.

Bedtime stories

Just wanted to see what children's books are like. Or perhaps I was hoping it would make me fall asleep.

This book contains surprisingly short and sweet stories. The language is simple. I guess young kids can read themselves.

Angela Lambkin says

A wonderful uncle of young kids stories - ages 4-8 Wow!

I enjoyed them all! And I think the little kids from 4-8 years of age who loves short animal stories and adventures will greatly enjoy them too! So, As I already stated above kids between the ages of 4-8 is who I would greatly recommend this ebook to and the why also. I received this ebook for free and have now given it an honest review. Great work Uncle Amon! By Angela
