What do you do when your best friend sets you up on a blind date with not one but two gorgeous brothers? Rebecca has no idea what lays in store as she arrives at the bar to see two hunky brothers, Alec and Tristan Lloyd, show up for their date and are the stuff of fantasies. Although Rebecca hasn't fallen in love since her last hurtful break up a year ago and hasn't felt anything close to physical attraction since, she finds Alec and Tristan's sensual magnetism impossible to resist. But what they are offering is way too terrifyingly exciting to consider. Would Rebecca dare to give in to these forbidden urges – ones she'd never known she could feel? The two brothers are determined to use their double-dose of masculine persuasion to change her mind before the night is through.

### **Cyndi Lovette says**

These 2 HOT books took me a day maybe 2 to read because they are short which is not a problem that just means there were good. Rebecca has low self esteem and is set up on a date.....oh yes wait for it to hunky billionaire brother's..and they have eyes only for her so her inner self is like "OH YEAH"!!! Imagine the boost to her self esteem.

That is it as far as I am telling I don't like point by point about a book you need to get a copy and enjoy but everyone's tastes and views are different remember that. I can't wait to finish the rest of the series.

#### **They were hot, now they're not**

This is the story of Rebecca. She hasn't had the greatest luck with dating. She has a good friend who hooks her up on blind dates. In the final attempt, her friends sends her on a date with a pair of brothers, Alec and Tristan. These brothers made her feel like a woman throughout the whole date. They complimented her, never rushed her into anything she didn't want to do, and they have great conversation that wasn't about sex. They were truly interested in her and showed it. I loved the flow of the first book. It was nice and steady. It didn't go straight to everyone seeing each other and the next second they are all in the bed. This story was a buildup of emotions. I love how the author showed the warring of Rebecca's emotions on whether she should give in or stay in control. And when they finally do have sex it's not that raunchy type. It was still sexy and sensual. They still made her feel like a lady and not a toy for their enjoyment. While reading I thought about the two brothers. I would never share a girl with my brother so I thought it kind of weird in that aspect. But I also thought about the story from Rebecca's point of view. There are two hot men that want to ravish me!!! It's like I'm playing poker...I'M ALL IN!!!!

However, when I get to the second installment I feel as if this is a totally different story. The brothers are not the same. They are treating this woman like she is there to play with at their own amusement and without her consent. It seems like this is a book about torture. I didn't like that installment. I didn't want to continue the story because I don't see where it could go to where it can develop into a viable storyline.

#### **Uptight girl finds her release**

Rebecca is a young woman that's had a rough time with men and has lost confidence in herself. Along comes brothers Alec and Tristan to show her what she is missing and that she is a perfect Submissive for them both! Enjoy the hot steamy ride!

### **Sexy Sexy Sexy**

Tristan, Alex and Rebecca make a really hot threesome. Love the storyline and not just about hot sex. If you are looking for a book with a lot of sexual details and story to go with it, you will enjoy Lucia Jordan's books. Very well edited. Looking forward to finishing the series.

### **Hot , sexy and steamy**

These 2 books are super hot. Makes a girl want a set of her own billionaire brothers. Rebecca is like many women, unsure of her own sex appeal, and along comes the billionaire brothers Alex and Tristan and they awaken the sexiness in her with every word, look and touch. I look forward to reading the 2 books in this sequel.

Then bam you are into a seriously hot and detailed scene that you don't want to put down. You're pulled into it and then before you know it you've read the whole book. ### **Janne says**

What a great easy quick read. The whole part about an insecure women who dresses a bit more uptight and can never find a date who attracts her - until she's set up on a blind date with two hunky brothers. I have only read these two first books. Book two takes a new direction that I hadn't seen coming, but again I don't know if I will more if the books in order to find out what will happen.

#### **Is She Lucky Or What?**

Her friend set her up on a sweet blind date with twin brothers and they are all attracted to each other. But can she deal with both of them. Enjoy I did.

### **Karen says**

HOT! Rebecca have been on numerous blind dates to no avail. To her surprise her friend sets her up on a blind date that will change and rock her world.

### **Annie says**

#### **2.5 stars- Something missing**

I was hoping for scorching and I never got it. The potential was there, but I wasn't connected enough to the characters or story for the sexy scenes to fully register. There were also enough typos to disrupt flow, that I feel it's worth mentioning to other readers.

### **Mindy says**

#### **What an interesting scenario**

Two gorgeous brothers showing passionate interest in a quiet woman, was she ready for them? Very descriptive scene. I personally wasn't wild about 2 on 1, but story is well-written.

### **T.M. Davis says**

#### **Very interesting**

It's a interesting read with the DP, and the blindfold., as well as the fact that it's two brothers. Very good read and nicely detailed.

#### **Blind dates gotta love them, not**

Rebecca was tired of the blind dates her friend was setting her up with. She was just not ready to date she thought. Her friend said just this last one and Rebecca agreed. What she didn't know she was getting 2 for 1 and even more than she ever thought possible. Oh this was a very good and hot blind date. Can it be more. Simple yes or no from her
