I was very happy that Sayuki ended up with the person I wanted her to. I felt pretty bad for the other though. This was a fast and very enjoyable read and I really liked it a lot! The conclusion felt a little short to me. Wish I could've read a bit more.

ah seperti yang kalian pikirkan, ini sangat disayangkan karena terlalu tipis! Padahal kurasa ceritanya masih bisa di perpanjang lagi. 4 volume ini rasanya terlalu to the point--bukan berarti aku mau cerita yang panjang dan bertele-tele, tapi sekali lagi, ini masih bisa diceritakan lebih jauh lagi.
