Fira and the Full Moon

Gail Herman

Fira and the Full Moon Gail Herman

Fira is a take-charge light-talent fairy, who never asks for help. So when all the fireflies come down with the firefly flu, who organizes light for Pixie Hollow? Fira. When three new light-talent fairies arrive on the same day, who volunteers to look after them? Fira. And when the mining-talent fairies set off on their monthly expedition into the underground caves, who lights the way? Fira, of course. But she's exhausted, and the deeper the miners go, the more her glow flickers and fades. Fira's full moon may turn out to be her darkest hour!

e.c.h.a says

Lebih suka kisahnya Vidia sama Lily...konfliknya kurang tapi gue kasih tambahan 1 bintang karena ada hidden message-nya gimana menjadi seorang pemimpin yang baik, seorang pemimpin harus bisa juga menjadi anggota dari timnya. Nice....

Shaina says

I feel like this so far is one one of the better ones even though I ended up predicting the ending. The surprise of the 'laugh' was a nice touch. Three new light fairies at once! If I decide to continue with the series I would like to see these characters in other books.

Lizzy Holmes says

I like little kid books, I don't know why!

Theresa says

This really shouldn't be called Fira and the full moon. It barely even mentions the full moon. Maybe Fira and the New Fairies. Or Fira the over worked fairy.

Anyway, Fira has been very busy and that was before the fireflies caught the flu. So when three new light talent fairies are born, she is so happy to have more help. Unfortunately, they are a lot of trouble. Well, they are brand new and all. They manage to make Fira even more exhausted.

Then she realizes there will be no fireflies to help the mine talent fairies on the full moon so she goes to help them too. Only in her exhaustion her light goes out! Now they are stuck in a windy cave in the dark. How will they ever get out?

You can probably guess how, but it is very cute nonetheless.

Sarah Crawford says

Although the title of the book might seem slightly ominous, the book is simply another very good book in this very good series from Disney.

Fira is a light talent fairy in charge of others and a severe problem arises when the lightning bugs become ill and are no longer able to help light Pixie Hollow. She and the other light-talent fairies will have to work

extra-hard to fill in for them.

While this is going on, three new fairies arrive and Fira is put in charge of them. Unfortunately, the three tend to argue all the time and cause a lot of problems.

Worse yet, the mining fairies need light for the mines and since the lightning bugs are ill, Fira will have to provide the light herself. She doesn't mind doing this, although she's already very tired, but then her light fails and everyone is literally left in the dark.

Can the new fairies, despite their quarreling and clumsiness, help Fira and the miners trapped in the darkness of the mine?

Another very good book in the series.

Dyah says

In this story, we get to know how fairies are born.

I'm not particularly fond of Fira the light fairy, but I admit that she's one of the beautiful fairies. She's also mature and able to handle 3 new fairies quite well under stress, though she have a trust issue.

Conan Tigard says

Boy, oh boy, are Sparkle, Helios and Glory ever a handful. They get into everything and don't listen to Fira at all. Whenever she gives them a little freedom, they usually end up making mistakes that Fira has to apologize for.

I felt sorry for Fira having to watch over these three new fairies. Having been both a parent and an elementary school teacher, I know what a handful children can be. And did she ever have some trouble wrangling in these three, I can tell you. To top it off, Fira still had to do her own work, and the work of the fireflies also. Whew! I do not envy her.

Gail Herman weaves a wonderful story about light-talent fairies in Fira and the Full Moon.

Once again, the Disney Storybook Artists to a smashing job with the artwork. It is always beautiful. This book is an excellent addition to the Disney Fairies series.

Overall, I highly enjoyed this tale of magic and wonder as I was transported to Pixie Hollow. Gosh, I sure do wish I could be a Sparrow Man and live there with all the other fairies. Wouldn't that be cool? Well, since I can't be, at least I can read about them.

I rated this book a 9 out of 10.

Isabelle.n.c says

This book is one of my favorite books because it was about a fairy named Fira and she's a really hard worker. She's a light (glow) fairy that helps people in the dark. During full moons she lights paths to a cave. Three new fairies arrive and she has to teach them to work together as a team. Fira's light goes out when she needs to light the way for many people in a mine; then the three new fairies realized that they had to help their new friend and work together. I like this book because it shows a lot of teamwork and team effort. It also teaches about friendship and caring.

Rachel says

Adorable, and the first fairy book with 3 fairies made from the same laugh! Triplets! So cute as Fira tries to handle all her responsibilities and introduce the 3 bumbling siblings to Pixie Hollow before the night of the blue full moon.

an says

apa jadi na kalau yang kau butuhkan hanya tidur. kepala pusing, jalan berasa melayang, konsentrasi ga fokus, bediri pun ga bisa lurus. hampir setiap selesai trip rhe berasa seperti itu. andai ada libur satu hari lagi saja. tapi untuk kasus fira dia kecapekan bukan karena trip, karena kerjaan, karena tanggung jawab. dan di tengah kantuk yang melanda dasyat dia masih menjalankan tugas-tugas yang tidak bisa didelegasikan kepada orang lain. dan akhir na... dia membuat kekacauan ketika dia merasa diri na mampu melakukan semua tugas. apa jadi na?

Cassie says

I had been reading some pretty serious literature at this time of my life (I am 30 years old) and I needed a break from it. Sometimes even an adult can get something out of a children's book. This book was about problems of living, but set in the world of faeries.

The problems that were present here were very simple things and easily fixed which was nice to see. It was just a fun easy read for me that showcases that there isn't all this horribleness in our world all of the time. I was really happy to read this because I love the Disney Faeries and thought that the book series would be one I would enjoy and I wasn't disappointed with this.

Kayla says

This was a great book, and I really enjoyed reading it. It was interesting to finally find out how fairies come come to Pixie Hollow and discover their special talent. So read this book to find out how. :-)

Galion Public Library Teens says

Review by K.P. : "I liked that it was fantasy. I wish that this library had the novels. Recommend to fantasy lovers."

Adriana Bosma says

Another great book!

Mindy says

My children and I love reading these books together. It always teaches great lessons, it is a nice and enjoyable read, as well as beautiful and vivid illustrations! This book is no exception and we enjoyed reading about Fira's journey as a light fairy!
