The Legend of Korra: Turf Wars Library Edition Michael Dante DiMartino , Bryan Konietzko , Veronica Fish (Illustrator) , Irene Koh (Illustrator)

Written by series co-creator Michael Dante DiMartino and drawn by Irene Koh (Secret Origins: Batgirl, Afrina and the Glass Coffin) and with consultation by Bryan Konietzko, this is the official continuation of The Legend of Korra! Collects The Legend of Korra: Turf Wars Parts One, Two, and Three.

New beginnings for Korra and Asami!

After a refreshing sojourn in the Spirit World, Korra and Asami return to Republic City but find nothing but political hijinks and human vs. spirit conflict! Pompous developer Wonyong Keum plans to turn the new spirit portal into an amusement park, potentially severing an already tumultuous connection with the spirits. At the city's edge, Zhu Li enlists everyone she can to aid the thousands of hungry and homeless evacuees who have relocated there. Meanwhile, the Triple Threats' ruthless new leader, Tokuga, is determined to unite the other triads under his rule, no matter the cost.

In order to get through it all, Korra and Asami vow to look out for each other--but first, they've got to get better at being a team!

I wasn't as big a fan of *Korra* as I was *The Last Airbender*, but I think this does the series justice. It's awesome to see LGTBQ aspects woven into the *Avatar* universe and I love that smaller characters get a chance to shine.

Korra'nın çizimlerini hiç animasyondakine benzetemedim ve hikayeyi de çok güçlü bulamadım.
BBeklenti kurbanı oldum yine:(

Part 1 - ????

Part 2 - ????.5

Part 3 - ????

I didn't like lok as much as i loved atla, but i like these characters and i was really happy to see them again, specially korrasami, i had the biggest smile on my face because of them ?

Plot wise, i didn't like it, but to be honest, one of the reasons i didn't like lok as much as atla is because i

wasn't into the spirits world plot, and lok had a big focus on that (but i love these characters and i couldn't help myself, i had to read this), so i was lowkey bored reading that parts, but overall it didn't completely bring down this comic for me. Also i was really interested seeing how lgbt+ lives in this world, that's something we didn't really see in both shows, so i'm glad to read that, and i was so happy seeing how people supported korrasami, specially kya, she deserves the world after that talk.

Joana Veríssimo says

I didn't like the adventure they went on as much, it felt a bit too overcrowded and over complicated - the visuals were still great and I LOVE the time they spent with the characters we know, but the interactions with the villains not as much

But I LOVED seeing Korra and Asami as a couple and being open about it, and dealing with other people's reactions, that more down-to-earth part was really GOOD!!!

I think overall I would still recommend if you are a "The Legend of Korra" fan :)

and i went ❤️❤️❤️

Cassandra says

I enjoyed the opportunity to learn more about Korra and Asami's relationship, as well as the social and political happenings in Republic City. It would be great to learn more about the triads.

Al fin Korrasami canon, empecé a ver la serie por ellas y al fin puedo ver su relación y me encanta.
